Such delays or hindrances, if any, shall be compensated for by an extension of time to complete the Services, for such reasonable period as may be mutually agreed upon between the parties, it being understood, however, that the agreement of the Commission to allow the Owner's Representative to complete the Services or any part of them after the time provided for the completion thereof herein shall in no way operate as a waiver on the part of the Commission of any of its rights hereunder.
- f. Records. The Owner's Representative shall maintain accurate and complete records of expenditures, costs and time incurred by the Owner's Representative and by consultants engaged by the Owner's Representative in connection with the Project and the Services. Such records shall be maintained in accordance with recognized commercial accounting practices. The Commission may examine such records at Owner's Representative's offices upon reasonable notice during normal business

hours. Owner's Representative shall retain all such records for a period of not less than five calendar years after the termination of this Agreement.

- g. Time of Essence. Owner's Representative acknowledges and agrees that time is of the essence in the performance of this Agreement and that timely completion of the Services is vital to the completion of the Project by the Commission. Owner's Representative further agrees that it will assign to the Project at all times during the term of this Agreement the number of experienced, appropriately trained employees necessary for Owner's Representative to perform the Services in the manner required hereunder.
- l. Changes (Amendments). The Commission may from time to time, request changes to the terms of the Agreement or in the Scope of Services of the Owner's Representative to be performed hereunder. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the Commission and Owner's Representative, shall be incorporated in a written amendment to this Agreement. The Commission shall not be liable for any changes absent such written amendment.
- m. Energy Conservation Ordinance. Whenever the services of the Owner's Representative require design of new buildings and structures, addition or

alteration of existing buildings and structures or portion thereof, Owner's Representative must comply with the provisions of the Energy Conservation Ordinance, Chapter 18-13 of the Municipal Code of Chicago. The Owner's Representative shall also select and/or recommend for installation by contractor energy-efficient mechanical, service water-heating, electrical distribution and illumination systems and equipment for the effective use of energy in these buildings and structures.

5. Term.

- a. Duration. The term of this Agreement shall begin on the Commencement Date of Services specified in Schedule A to this Agreement and, subject to the provisions of subparagraph (b) below, shall expire upon completion of the Services and acceptance thereof by the Commission or, if the Services are of an ongoing nature, on the Completion Date specified in such Schedule A. The Commission and the Owner's Representative may, from time to time, by mutual agreement, extend the term of this Agreement by amending Schedule A hereto.
- b. Termination or Suspension by the Commission. The Commission shall have the right, at any time, to terminate the term of this Agreement, with or without cause, by written notice given to Owner's Representative at least thirty (30) days prior to the effective date of termination. In addition, the Commission shall have the right, at any time and from time to time, with or without cause, to suspend the performance of Owner's Representative hereunder with respect to all or any part of the Services, by written notice given to Owner's Representative at least five (5) days prior to the effective date of suspension. Termination or suspension of this Agreement shall not relieve the Owner's Representative from liability for the performance of any obligation of Owner's Representative under this Agreement performed or to have been performed by Owner's Representative on or before the effective date of termination or suspension. Provided Owner's Representative is not in default under this Agreement at the time of termination or suspension, the Commission agrees to pay to Owner's Representative, in accordance with the terms of this Agreement, all compensation and reimbursements due to Owner's Representative for periods up to the effective date of termination or suspension. In no event shall the Commission be liable to Owner's Representative for any loss, cost or damage which Owner's Representative or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided herein; provided, however, that the Commission may, in its sole discretion, reimburse Owner's Representative for actual expenses approved by the Commission.
- c. Termination by the Owner's Representative. If the Project, in whole or substantial part, is stopped for a period longer than thirty (30) days under an order of any court or other governmental authority having jurisdiction of the Project, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of the Owner's Representative, or if the Commission fails to make any payment or perform any other obligation hereunder, the Owner's Representative shall have the right to terminate this Agreement, by written notice given to the Commission at least seven (7) days prior to the effective date of termination, and shall have the right to recover from the Commission all

compensation and reimbursements due to Owner's Representative for periods up to the effective date of termination.

- d. Force Majeure. Neither of the parties shall be liable to the other for any delay or failure in performance hereunder due to a force majeure event. If a force majeure event occurs, the party delayed or unable to perform shall give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of the Owner's Representative under this Agreement for the duration of the force majeure event. The Commission shall not be obligated to pay for Services to the extent and for the duration that performance thereof is delayed or prevented by the force majeure event, but, provided the Owner's Representative is not in default of any obligation of the Owner's Representative hereunder, the Commission shall pay to Owner's Representative, according to the terms hereof, all compensation and reimbursements due to Owner's Representative for periods up to the effective date of suspension.
6. Compensation of Owner's Representative and Reimbursement for Expenses. The Commission shall compensate the Owner's Representative in the amount and the manner set forth in Schedule C to this Agreement.
  7. Rights and Obligations of Commission. In connection with the administration of the Project by the Commission and the performance of this Agreement by Owner's Representative, the Commission shall have the following rights and obligations, in addition to those provided elsewhere in this Agreement:
    - a. Information. The Commission shall provide Owner's Representative all reasonably requested information concerning the Commission's and the User Agency's requirements for the Project and the Services.
    - b. Review of Documents. Subject to the provisions of subparagraph 3 (e) above, the Commission agrees to make a reasonable effort to examine documents submitted by the Owner's Representative and render decisions pertaining thereto with reasonable promptness.
    - c. Site Data. To the extent the Commission determines to be necessary for Owner's Representative to perform the Services, the Commission may furnish, or may authorize Owner's Representative to obtain from a consultant or consultants approved by the Commission as Reimbursable Expenses: (i) a certified survey of the site or sites; (ii) information concerning locations, dimensions and data pertaining to existing buildings and other improvements; (iii) title information; and (iv) information concerning available service and utility lines. The Owner's Representative shall not be liable to the Commission for the substantive content of such tests and reports obtained from a consultant engaged by the Owner's Representative and approved by the Commission, provided that the Owner's Representative has exercised reasonable diligence in the selection of the consultant.
    - d. Tests and Reports. To the extent required for Owner's Representative to perform the Services, the Commission may furnish structural, civil, chemical, mechanical, soil and/or other tests and reports; however, the Commission may authorize

Owner's Representative to procure such tests and reports from a company or companies approved by the Commission as Reimbursable Expenses. The Owner's Representative shall not be liable to the Commission for the substantive content of such tests and reports obtained from a consultant engaged by the Owner's Representative and approved by the Commission, provided that the Owner's Representative has exercised reasonable diligence in the selection of the consultant and provided that the Owner's Representative has caused the consultant to purchase and maintain professional liability insurance in accordance with the provisions Schedule D protecting the Commission, the User Agency, and the Construction Manager from any loss or claim arising out of the consultant's performance.

- e. Legal, Auditing and other Services. The Commission shall arrange and pay for such legal, auditing, insurance counseling and other services as the Commission, in its sole discretion, may determine to be required for the Project. Such payments shall not include legal or auditing expenses arising out of or relating to any errors or omissions, or claimed errors or omissions, of Owner's Representative.
  - f. Designated Representatives. The Commission may designate, at its sole discretion, one or more representatives authorized to act in its behalf.
  - g. Indemnities. The Commission shall require, by appropriate provision in each contract let by the Commission after the date of this Agreement with respect to the Project that the contractor or consultant thereunder shall indemnify, save and hold harmless the Commission, the User Agency and the Owner's Representative, and their respective commissioners, board members, officers, agents and employees, from all claims, demands, actions and the like, of every nature and description, made or instituted by third parties, arising or alleged to arise from the work performed pursuant to such contract, and that the contractor or consultant thereunder shall purchase and maintain during the life of such contract such insurance as the Commission may require.
  - h. Ownership of Documents. All documents, data, studies and reports prepared by Owner's Representative or any party engaged by Owner's Representative, pertaining to the Project and/or the Services shall be the property of the Commission.
  - i. Audits. The Commission shall have the right to audit the books of Owner's Representative and its sub-consultants on all subjects relating to the Project and/or the Services.
8. Indemnification of Commission. Owner's Representative hereby agrees to indemnify, keep and save harmless the Commission and the User Agency and their respective commissioners, board members, officers, agents, officials and employees (collectively, the "Indemnitees"), from and against all claims, demands, suits, losses, costs and expenses, including but not limited to, the fees and expenses of attorneys (collectively, the "Losses"), that may arise out of or be based on any injury to persons or property that is or is claimed to be the result of an error, omission or negligent or willfully wrongful act of the Owner's Representative or any person employed by the Owner's Representative to the maximum extent permitted by applicable law provided, however, that such indemnity specifically

excludes all Losses resulting from the errors and omissions of any sub-consultant employed by the Owner's Representative to implement the Project except to the extent of the Owner's Representative's negligence in the administration and management of the work of such sub-consultants or specialty work that is self-performed by the Owner's Representative.

9. Insurance to be Maintained by Owner's Representative. The Owner's Representative shall purchase and maintain at all times during the performance of Services hereunder, for the benefit of the Commission, the User Agency and the Owner's Representative, insurance coverage which will adequately insure the Commission, the User Agency and the Owner's Representative against claims and liabilities which could arise out of the performance of such Services, including but not limited to, the insurance coverages set forth in Schedule D to this Agreement.

10. Default.

a. Events of Default. Any one or more of the following occurrences shall constitute an Event of Default under this Agreement:

- i. Failure or refusal on the part of the Owner's Representative duly to observe or perform any obligation or agreement on the part of the Owner's Representative contained in this Agreement, which failure or refusal continues for a period of ten (10) days, or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such ten (10) day period, after the date on which written notice thereof shall have been give to the Owner's Representative by the Commission;
- ii. Any representation or warranty of the Owner's Representative set forth herein or otherwise delivered pursuant to this Agreement shall have been false in any material respect when so made or furnished;
- iii. Owner's Representative becomes insolvent or ceases doing business as a going concern, or makes an assignment for the benefit of creditors, or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, or files a voluntary petition in bankruptcy, or is adjudicated a bankrupt or an insolvent, or files a petition seeking for itself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar arrangement under any present or future statute, law or regulation relating to bankruptcy or insolvency, or files an answer admitting the material allegations of a petition filed against it in any such proceeding, or applies for, consents to or acquiesces in the appointment of a trustee, receiver, liquidator or other custodian of it or of all or any substantial part of its assets or properties, or if it or its principals shall take any action in furtherance of any of the foregoing; or
- iv. There shall be commenced any proceeding against Owner's Representative seeking reorganization, arrangement, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation relating to bankruptcy which is not vacated, stayed, discharged, bonded or dismissed

within sixty (60) days thereof, or there shall be appointed, without Owner's Representative's consent or acquiescence, any trustee, receiver, liquidator or other custodian of Custodian or of all or any substantial part of Owner's Representative's assets and properties, and such appointment shall not have been vacated, stayed, discharged, bonded or otherwise dismissed within sixty (60) days thereof.

- b. Remedies. If an Event of Default shall occur and be continuing, then the Commission may exercise any right, power or remedy permitted to it by law or in equity and shall have, in particular, without limiting the generality of the foregoing, the right to terminate this Agreement upon written notice to Owner's Representative, in which event the Commission shall have no further obligations hereunder or liability to Owner's Representative except as to payment for Services actually received and accepted by the Commission through the effective date of termination. No courses of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right shall operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.
- c. Remedies not Exclusive. No right or remedy herein conferred upon or reserved to the Commission is exclusive of any right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

11. Disputes.

- a. General. All disputes arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including without limitation questions concerning allowability of compensation, and all claims for alleged breach of contract, shall be presented in writing to the Executive Director for final determination.
- b. Procedure. Requests for determination of disputes will be made by the Owner's Representative in writing specifically referencing this Section, and will include: 1) the issue(s) presented for resolution; 2) a statement of the respective positions of the Owner's Representative and the Project Manager; 3) the facts underlying the dispute; 4) reference to the applicable provisions of the Agreement by page and section; 5) identify any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. Owner's Representative will promptly provide the Executive Director with a copy of the request for determination of the dispute. The Project Manager will have thirty (30) business days to respond in writing to the dispute by supplementing the submission or providing its own submission to the Executive Director. Failure by the Project Manager to respond will not be deemed to be an admission of any allegations made in the request for dispute resolution, but will be deemed to constitute a waiver of the opportunity to respond to such allegation(s), if any. The Executive Director's decision may thereafter be reached in accordance with such other information or assistance as she or he may deem reasonable, necessary or

desirable.

- c. Effect. The Executive Director's final decision will be rendered in writing no more than forty-five (45) business days after receipt of the response by the Project Manager was filed or was due unless the Executive Director notifies the Owner's Representative that additional time for the decision is necessary. The Executive Director's decision will be conclusive, final, and binding on all parties. Owner's Representative must follow the procedures set out in this Section and receive the Executive Director's final decision as a condition precedent to filing a complaint in the Circuit Court of Cook County or any other court.

The Owner's Representative will not withhold performance of any Services required by the Commission under this Agreement during the dispute resolution period. The Executive Director's written determination will be complied with pending final resolution of the dispute.

12. Confidentiality. All of the reports, information, or data prepared or assembled by the Owner's Representative under this Agreement are confidential, and the Owner's Representative agrees that such reports, information or data shall not be made available to any party without the prior written approval of the Commission. In addition, Owner's Representative shall not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project or the Services. If the Owner's Representative is served with a subpoena requiring the production of documents or information which is deemed confidential, the Owner's Representative shall immediately notify the Commission in writing and provide a copy of the subpoena to the Commission in sufficient time for the Commission to attempt to quash, or take other action in relation to, the subpoena.
13. Assignment. Owner's Representative acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of Owner's Representative and agrees, therefore, that neither this Agreement nor any right or obligation hereunder may be assigned by Owner's Representative, in whole or in part, without the prior written approval of the Commission. For purposes of this paragraph, if the Owner's Representative undergoes a change in control, the change in control shall be deemed an assignment of the Agreement; a change in control is defined as a transfer of more than 50% of the equity ownership of the Owner's Representative during any twelve (12) month period. In the event of an assignment by the Owner's Representative without the prior written approval of the Commission, the Commission shall have the right to immediately terminate the Agreement without fault or responsibility. Owner's Representative further acknowledges that Owner's Representative has represented to the Commission the availability of certain members of Owner's Representative's staff who will be assigned to Project, and agrees, therefore, that in the event of the unavailability of such members due, the Owner's Representative shall so notify the Commission in writing, and shall assign other qualified members of Owner's Representative's staff, as approved by the Commission, to the Project. The Commission expressly reserves the right to assign or otherwise transfer all or any part of its interests hereunder without the consent or approval of the Consultant.

14. Relationship of Parties. The relationship of Owner's Representative to the Commission hereunder is that of an independent contractor, and Owner's Representative, except to the extent expressly provided to the contrary on Schedule A hereto, shall have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission. This Agreement shall not be construed as an agreement of partnership, joint venture, or agency.
