i. **Technical Personnel** as herein referred to include partners, officers and all other personnel of the Consultant, including technical typists assigned to the Project, exclusive of general office employees.

j. **User Agency** means the municipal corporation that requested the Commission to undertake the construction and/or improvement of the Project.

2. Incorporation of Documents. The documents identified below in this paragraph are hereby incorporated in and made a part of this Agreement. By executing this Agreement, Consultant acknowledges and agrees that Consultant is familiar with the contents of each of such documents and will comply fully with all applicable

portions thereof in performing the Services.

a. Project Documents. The plans and specifications for the Project, to the extent that plans and specifications for the Project have been prepared, as set forth and described in this Agreement (the "Project Documents").

b. Policies Concerning MBE and WBE. The Commission's policies concerning utilization of minority business enterprises ("MBE") and women business enterprises ("WBE"), as the same may be revised from time to time.

3. Engagement and Standards for Performing Services.

a. Engagement. The Commission hereby engages the Consultant, and the Consultant hereby accepts such engagement, to provide the Services described in this agreement, as the same may be amended, in writing, from time to time by mutual agreement of the Commission and the Consultant.

b. Performance Standard. The Consultant represents and agrees that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by practicing environmental consulting professionals performing services of a scope, purpose, and magnitude comparable with the Services to be provided under this Agreement. If in the course of performing the Services, Consultant identifies any environmental condition, situation, issue or problem that may impact the performance of the Services or the Project, Consultant shall promptly provide notice to the Commission. The Consultant further promises that it will assign at all times during the term of the Agreement the number of experienced, appropriately trained employees necessary for the Consultant to perform the Services in the manner required by the Agreement.

c. Consultant's Personnel. Consultant must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must maintain current copies of any such licenses and provide these copies upon request by the Commission. Consultant remains responsible for the professional and technical accuracy of all Services furnished, whether by the Consultant or others on its behalf. All deliverables will be prepared in a form and content satisfactory to the Commission and delivered in a timely manner consistent with the requirements of the Agreement.

d. Confidentiality. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the Commission and User Agency. Consultant must at all times use its best efforts on behalf of the Commission to assure timely and satisfactory rendering and completion of its Services. Consultant must at all times act in the best interests of the Commission and User Agency consistent with Consultant's professional obligations assumed by Consultant in entering into this Agreement. Consultant promises to cooperate with the officials, employees and agents of the Commission and User Agency in furthering the Commission's and User Agency's interests. Consultant must perform all Services in accordance with the terms and conditions of this Agreement, to the reasonable satisfaction of the Commission.

e. Independent Contractor. In performing the Services under this Agreement, Consultant shall at all times be an independent contractor, and does not and must not act or represent itself as an agent or employee of the Commission or the User Agency. As an independent contractor, Consultant is solely and wholly responsible for determining the means and methods for performing the Services. The Agreement will not be construed as an agreement of partnership, joint venture, or agency.

f. Limitations on Sub-Consultants. Consultant must not use any business or individual who is disqualified by the Commission or debarred under any other governmental agency's procedures to provide the Services under the Agreement.

g. Failure to Meet Performance Standard. If the Consultant fails to comply with its obligations under the standards of the Agreement, the Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the Commission does not relieve Consultant of its responsibility to render the Services and deliverables with the professional skill and care and technical accuracy required by the Agreement. This provision in no way limits the Commission's rights against the Consultant, either under the Agreement, at law or in equity.

h. Changes to the Services. The Commission may from time to time, request changes to the terms of the Agreement or in the Scope of Services of the Consultant to be performed hereunder. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the Commission and Consultant, shall be incorporated in a written amendment to this Agreement. The Commission shall not be liable for any changes absent such written amendment.

4. Duties and Obligations of Consultant

a. Nondiscrimination. The Consultant agrees that in performing this Agreement it shall not discriminate against any worker, employee or applicant for employment, or any member of the public, because of race, creed, gender, color, national origin or disability, or otherwise commit an unfair labor practice. Attention is called to applicable provisions of the Civil Rights Act of 1964, 88-352, July 2, 1964, 78 Stat. 241 et. Seq. the Americans with Disabilities Act of 1990, 42 U.S.C. 12010 et. Seq. the Illinois Human Rights Act 775 ILCS 5/1-101 et. Seq. and the Public Works Employment Discrimination Act 775 ILCS 10/0.0 1 through 10/20, inclusive and a Resolution passed by the Board of Commissioners of the Public Building Commission of Chicago on October 1, 2004, concerning participation of Minority Business Enterprises and Women Business Enterprises on contracts awarded by the Commission. The Consultant will furnish such reports and information as requested by the Commission and the Illinois Department of Human Relations or any other administrative or governmental entity overseeing the enforcement, administration or compliance with the above referenced laws and regulations.

b. Employment Procedures, Preferences and Compliances. Salaries of employees of Consultant performing work under this Agreement shall be paid unconditionally and not less often than once a month without deduction or rebate on any account except only such payroll deductions as are mandatory or permitted by the applicable law or regulations. Attention is called to Illinois Compiled Statutes, 1992 relating to Wages and Hours including 820 ILCS 130/0.01 through 130/12 thereof (Prevailing Wage Act), 30 ILCS 570/1 through 570/7 (Employment of Illinois Workers on Public Works Act) and 30 ILCS 560/0.01 through 560/7 (Public Works Preference Act). The Consultant shall comply with all applicable "Anti-Kickback" laws and regulations, including the "Anti-Kickback" Act of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; 18 U.S.C. § 874; 40 U.S.C. § 276c) and the Illinois Criminal Code of 1961 720 ILCS 5/33E-1 et. seq. If, in the performance of this Agreement, there is any direct or indirect kickback, the Commission shall withhold from the Consultant, out of payments due to it, an amount sufficient to pay employees underpaid the difference between the salaries required hereby to be paid and the salaries actually paid such employees for the total number of hours worked. The amounts withheld shall be disbursed by the Commission for and on account of the Consultant to the respective employees to whom they are due.

c. Compliance with Policies Concerning MBE and WBE. Without limiting the generality of the

requirements of the policies of the Commission referred to in paragraph 2 above, the Consultant agrees to use best efforts to utilize minority business enterprises for not less than twenty five percent (25%) for MBE and five percent (5%) for WBE of the value of the Services, in accordance with the Resolution passed by the Board of Commissioners of the Commission on October 1, 2004, concerning participation of minority business enterprises and women business enterprises on contracts awarded by the Commission and to furnish to the Commission, such reports and other information concerning compliance with such Resolution as may be requested by the Commission from time to time.

d. Delays. The Consultant agrees that no charges for damages or claims for damages shall be asserted by it against the Commission for any delays or hindrances from any cause whatsoever during the progress of any portion of the Services. Such delays or hindrances, if any, shall be compensated for by an extension of time to complete the Services, for such reasonable period as may be mutually agreed upon between the parties, it being understood, however, that the agreement of the Commission to allow the Consultant to complete the Services or any part of them after the time provided for the completion thereof herein shall in no way operate as a waiver on the part of the Commission of any of its rights hereunder.

e. Records. The Consultant shall maintain accurate and complete records of expenditures, costs and time incurred by Consultant in connection with the Project and the Services. Such records shall be maintained in accordance with recognized commercial accounting practices. The Commission may examine such records at Consultant's offices upon reasonable notice during normal business hours. Consultant shall retain all such records for a period of not less than five calendar years after the termination of this Agreement.

f. Time of Essence. The Consultant acknowledges and agrees that time is of the essence in the performance of this Agreement and that timely completion of the Services is vital to the completion of the Project by the Commission. Consultant agrees to use its best efforts to expedite performance of the Services and performance of all other obligations of the Consultant under this Agreement and any other agreements entered into by the Commission which are managed or administered by the Consultant as a result of the Consultant's engagement hereunder.

g. Compliance with Laws. In performing its engagement under this Agreement, the Consultant shall comply with all applicable federal, state and local laws, including but not limited to, those referenced in subparagraphs (b) and (c) above and in the documents referred to in paragraph 2 of this Agreement.

h. Progress Meetings. Meetings to discuss the progress of the Project and/or to review the performance of the Consultant may be scheduled upon the Commission's request, at mutually agreeable times and locations, and the Consultant agrees to cause such meetings to be attended by appropriate personnel of the Consultant engaged in performing or knowledgeable of the Services.

i. Defects in Project. The Consultant shall notify the Commission immediately in the event the Consultant obtains knowledge of a defect in the Project or circumstances which could result in a Project delay or cost overrun.

## 5. Term.

a. The term of this Agreement shall begin upon the final execution of this Agreement, and, subject to the provisions of subparagraph (b) below, shall expire upon completion of the Services and acceptance thereof by the Commission or, if the Services are of an ongoing nature, on the completion date specified in such Request for Services. The Commission and the Consultant may, from time to time, by mutual agreement, extend the term of this Agreement by amending this Agreement.

b. The Commission shall have the right, at any time, to terminate the term of this Agreement, with or without cause, by written notice given to the Consultant at least thirty (30) days prior to the effective date of termination. In addition, the Commission shall have the right, at any time and from time to time, with or without cause, to suspend the performance of the Consultant hereunder with respect to all or any part of the Services, by written notice given to the Consultant at least five (5) days prior to the effective date of suspension. Termination or suspension of this Agreement shall not relieve the Consultant from liability for the performance of any obligation of the Consultant under this Agreement performed or to have been performed by the Consultant on or before the effective date of termination or suspension. Provided the Consultant is not in default under this Agreement at the time of termination or suspension, the Commission agrees to pay to the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of termination or suspension. In no event shall the Commission be liable to the Consultant for any loss, cost or damage which the Consultant or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided herein; provided, however, that the Commission may, in its sole discretion, reimburse the Consultant for actual expenses approved by the Commission.

c. If the Project, in whole or substantial part, is stopped for a period longer than thirty (30) days under an order of any court or other governmental authority having jurisdiction of the Project, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of the Consultant, or if the Commission fails to make any payment or perform any other obligation hereunder, the Consultant shall have the right to terminate this agreement, by written notice given to the Commission at least seven (7) days prior to the effective date of termination, and shall have the right to recover from the Commission all compensation and reimbursements due to the Consultant for periods up to the effective date of termination.

6. Compensation of Consultant; Reimbursement for Expenses. The Commission shall compensate the Consultant for the Services in the manner set forth Schedule C of this Agreement. In addition, the Commission shall, upon submission of detailed invoices by the Consultant, no more frequently than once every 30 days, and approval by the Commission of those invoices, reimburse the Consultant for all Reimbursable Expenses. As used in this paragraph, the term "Reimbursable Expenses" shall mean those expenses identified as such in this agreements to this Agreement.

7. Rights and Obligations of Commission. In connection with the administration of the Project by the Commission and the performance of this Agreement by the Consultant, the Commission shall have the following rights and obligations, in addition to those provided elsewhere in this Agreement:

a. Information. The Commission shall provide the Consultant all reasonably requested information concerning the Commission's requirements for the Project and the Services.

b. Review of Documents. Subject to the provisions of subparagraph 3 (e) above, the Commission agrees to make a reasonable effort to examine documents submitted by the Consultant and render decisions pertaining thereto with reasonable promptness.

c. Site Data. To the extent the Commission determines to be necessary for the Consultant to perform the Services, the Commission may furnish, or may authorize the Consultant to obtain from a company or companies approved by the Commission as Reimbursable Expenses: (i) a certified survey of the site or sites; (ii) information concerning locations, dimensions and data pertaining to existing buildings and other improvements; (iii) title information; (iv) information concerning available service and utility lines; and (v) results of test borings

and other information concerning subsoil conditions.

d. Tests and Reports. To the extent required for the Consultant to perform the Services, the Commission may furnish structural, civil, chemical, mechanical, soil mechanical and/or other tests and reports; however, the Commission may authorize the Consultant to procure such tests and reports from Sub-Consultants, which must be approved by the Commission. The costs of such Sub-Consultants shall be payable as Reimbursable Expenses.

e. Legal, Auditing and other Services. The Commission shall arrange and pay for such legal, auditing, insurance counseling and other services as the Commission, in its sole discretion, may determine to be required for the Project. Such payments shall not include legal or auditing expenses arising out of or relating to any errors or omissions, or claimed errors or omissions, of Consultant.

f. Designated Representatives. The Commission may designate, at its sole discretion, one or more representatives authorized to act in its behalf.

g. Ownership of Documents. All documents, data, studies and reports prepared by the Consultant or any party engaged by the Consultant, pertaining to the Project and/or the Services shall be the property of the Commission including copyrights as described in Section 3(m) above.

h. Audits. The Commission shall have the right to audit the books of the Consultant on all subjects relating to the Project and/or the Services.

8. Indemnification of Commission. The Consultant hereby agrees to indemnify, keep and save harmless the Commission and the User Agency and their respective commissioners, board members, officers, agents, officials and employees from and against all claims, demands, suits, losses, costs and expenses, including but not limited to, the fees and expenses of attorneys, that may arise out of or be based on any injury to persons or property that is or is claimed to be the result of an error, omission or act of the Consultant or any person employed by the Consultant to the maximum extent permitted by applicable law.

9. Insurance to be Maintained by Consultant. The Consultant shall purchase and maintain at all times during the performance of Services hereunder, for the benefit of the Commission, the User Agency and the Consultant, insurance coverage as set forth in Schedule D of this agreement

10. Default.

a. Events of Default. Any one or more of the following occurrences shall constitute an Event of Default under this Agreement:

i. Failure or refusal on the part of the Consultant duly to observe or perform any obligation or agreement on the part of the Consultant contained in this Agreement, which failure or refusal continues for a period of ten (10) days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such ten (10) day period) after the date on which written notice thereof shall have been give to the Consultant by the Commission;

ii. Failure of Consultant to perform the Services to the standard of performance

set forth in this Agreement;

iii. Any representation or warranty of the Consultant set forth herein or otherwise delivered pursuant to this Agreement shall have been false in any material respect when so made or furnished;

iv. The Consultant becomes insolvent or ceases doing business as a going concern, or makes an assignment for the benefit of creditors, or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, or files a voluntary petition in bankruptcy, or is adjudicated a bankrupt or an insolvent, or files a petition seeking for itself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar arrangement under any present or future statute, law or regulation relating to bankruptcy or insolvency, or files an answer admitting the material allegations of a petition filed against it in any such proceeding, or applies for, consents to or acquiesces in the appointment of a trustee, receiver, liquidator or other custodian of it or of all or any substantial part of its assets or properties, or if it or its principals shall take any action in furtherance of any of the foregoing; or

v. There shall be commenced any proceeding against the Consultant seeking reorganization, arrangement, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation relating to bankruptcy which is not vacated, stayed, discharged, bonded or dismissed within sixty (60) days thereof, or there shall be appointed, without the Consultant's consent or acquiescence, any trustee, receiver, liquidator or other custodian of Custodian or of all or any substantial part of the Consultant's assets and properties, and such appointment shall not have been vacated, stayed, discharged, bonded or otherwise dismissed within sixty (60) days thereof.

b. Remedies. If an Event of Default shall occur and be continuing, then the Commission may exercise any right, power or remedy permitted to it by law or in equity and shall have, in particular, without limiting the generality of the foregoing, the right to terminate this Agreement upon written notice to the Consultant, in which event the Commission shall have no further obligations hereunder or liability to the Consultant except as to payment for Services actually received and accepted by the Commission through the effective date of termination. No course of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right shall operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

c. Remedies not Exclusive. No right or remedy herein conferred upon or reserved to the Commission is exclusive of any right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

#### 11. Disputes.

a. General. All disputes arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including without limitation questions concerning permissibility of compensation, and all claims for alleged breach of contract, shall be presented in writing to the Executive Director for final determination.

b. Procedure. Requests for determination of disputes will be made by the Consultant in writing specifically referencing this Section, and will include: 1) the issue(s) presented for resolution; 2) a statement of the respective positions of the Consultant and the Project Manager; 3) the facts underlying the dispute; 4) reference to the applicable provisions of the Agreement by page and section; 5) identify any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. Consultant will promptly provide the

Executive Director with a copy of the request for determination of the dispute. The Project Manager will have thirty (30) business days to respond in writing to the dispute by supplementing the submission or providing its own submission to the Executive Director. Failure by the Project Manager to respond will not be deemed to be an admission of any allegations made in the request for dispute resolution, but will be deemed to constitute a waiver of the opportunity to respond to such allegation(s), if any. The Executive Director's decision may thereafter be reached in accordance with such other information or assistance as she or he may deem reasonable, necessary or desirable.

c. Effect. The Executive Director's final decision will be rendered in writing no more than forty-five (45) business days after receipt of the response by the Project Manager was filed or was due unless the Executive Director notifies the Consultant that additional time for the decision is necessary. The Executive Director's decision will be conclusive, final, and binding on all parties. Consultant must follow the procedures set out in this Section and receive the Executive Director's final decision as a condition precedent to filing a complaint in the Circuit Court of Cook County or any other court.

The Consultant will not withhold performance of any Services required by the Commission under this Agreement during the dispute resolution period. The Executive Director's written determination will be complied with pending final resolution of the dispute.

12. Confidentiality. All of the reports, information, or data prepared or assembled by the Consultant under this Agreement are confidential, and the Consultant agrees that such reports, information or data shall not be made available to any party without the prior written approval of the Commission. In addition, the Consultant shall not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project or the Services.

13. Assignment. The Consultant acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Consultant and agrees, therefore, that neither this Agreement nor any right or obligation hereunder may be assigned by the Consultant, in whole or in part, without the prior written approval of the Commission. The Commission expressly reserves the right to assign or otherwise transfer all or any part of its interests hereunder without the consent or approval of the Consultant.

14. Personnel. The Consultant further acknowledges that the Consultant has represented to the Commission the availability of certain members of the Consultant's staff who will be assigned to the Project, and agrees, therefore, that in the event of the unavailability of such members, the Consultant shall so notify the Commission in writing, and, upon the approval of the Executive Director, shall assign other qualified members of the Consultant's staff, to the Project.

15. Relationship of Parties. The relationship of the Consultant to the Commission hereunder is that of an independent contractor, and the Consultant, except to the extent expressly provided to the contrary in this agreement, shall have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission. This Agreement shall not be construed as an agreement of partnership, joint venture, or agency.

16. Miscellaneous.

a. Counterparts. This Agreement may be executed in any number of counterparts, any of which shall be deemed an original.

b. Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties hereto and supersedes any and all prior or contemporaneous oral or written representations or

communications with respect to the subject matter hereof, all of which communications are merged herein. This Agreement shall not be modified, amended or in any way altered except by an instrument in writing signed by both of the parties hereto.

c. Force Majeure. Neither of the parties shall be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. If a force majeure occurs, the party delayed or unable to perform shall give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of the Consultant under this Agreement for the duration of the force majeure. The Commission shall not be obligated to pay for Services to the extent and for the duration that performance thereof is delayed or prevented by force majeure, but, provided the Consultant is not in default of any obligation of the Consultant hereunder, the Commission shall pay to the Consultant, according to the terms hereof, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension.

d. Governing Law. This Agreement has been negotiated and executed in the State of Illinois and shall be construed under and in accordance with the internal laws of the State of Illinois.

e. No Waiver. The waiver by either party of any breach of this Agreement shall not constitute a waiver as to any succeeding breach.

f. Notices. All notices required to be given hereunder shall be given in writing and shall be hand delivered or sent by United States certified or registered mail, postage prepaid, addressed to Commission and to the Consultant at their respective addresses set forth above. If given as herein provided, such notice shall be deemed to have been given on the date of delivery, if delivered by hand, and on the second business day after mailing, if given by mail. The Commission or the Consultant may, from time to time, change the address to which notices hereunder shall be sent by giving notice to the other party in the manner provided in this subparagraph.

g. Reimbursable Expenses. Reimbursable expenses includes those actual expenditures, as identified in Schedule C to this Agreement, which are made by the Consultant and payable by the Commission.

i. Severability. In the event that any provisions of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

j. Successors and Assigns. Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and assigns.

k. Consultant's Authority. Execution of this Agreement by the Consultant is authorized by a resolution of its Board of Directors, if a corporation, or similar governing document if a partnership or a joint venture, and the signature(s) of each person signing on behalf of the Consultant have been made with complete and full authority to commit the Consultant to all terms and conditions of this Agreement, including each and every representation, certification and warranty contained or incorporated by reference in it.

2. For purposes of Section II (A) (2) of this certification, a person commits the offense of and engages in bid-rigging when he knowingly agrees with any person who is, or but for such agreement should be, a competitor of such person concerning any bid submitted or not submitted by such person or another to a unit of state or local government when with the intent that the bid submitted or not submitted will result in the award of a contract to such person or another and he either (1) provides such person or receives from another information concerning the price or other material term or terms of the bid which would otherwise not be disclosed to a competitor in an independent non-collusive submission of bids or (2) submits a bid that is of such a price or other material term or terms that he does not intend the bid to be accepted. see 720 ILCS 5/33-E-3.
3. No corporation shall be barred from contracting with any unit of state or local government as a result of a conviction, under either Section 33E-3 or Section 33E-4 of Article 33 of the State of Illinois Criminal Code of 1961, as amended, of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent on behalf of the corporation as provided in paragraph (2) of subsection (a) of Section 5-4 of the State of Illinois Criminal Code.
4. For purposes of Section II(A) of this certification, a person commits the offense of and engages in bid rotating when, pursuant to any collusive scheme or agreement with another, he engages in a pattern over time (which, for the purposes hereof, shall include at least three contract bids within a period of ten years, the most recent of which occurs after January 1, 1989) of submitting sealed bids to units of state or local government with the intent that the award of such bids rotates, or is distributed among, persons or business entities which submit bids on a substantial number of the same contracts. See 720 ILCS 5/33E-4.
5. "Environmental Restriction" means any statute, ordinance, rule, regulation, permit, permit condition, order or directive relating to or imposing liability or standards of conduct concerning the release or threatened release of hazardous materials, special wastes or other contaminants into the environment, and to the generation, use, storage, transportation, or disposal of construction debris, bulk waste, refuse, garbage, solid wastes, hazardous materials, special wastes or other contaminants including but not limited to (1) Section 7-28-440 or 11-4-1500 or Article XIV of Chapter 11-4 or Chapter 7-28 or 11-4 of the Municipal Code of Chicago; (2) Comprehensive Environment Response and Compensation and Liability Act (42 U.S.C. § 9601 *et seq.*) the Hazardous Material Transportation Act (49 U.S.C. § 1801 *et seq.*); (4) the Resource Conversation and Recovery Act of 1976 (42 U.S.C. § 7401 *et seq.*); (5) the Clean Water Act (33 U.S.C. § 1251 *et seq.*); (6) the Clean Air Act (42 U.S.C. § 7401 *et seq.*); (7) the Toxic Substances Control Act of 1976 (15 U.S.C. § 2601 *et seq.*); (8) the Safe Drinking Water Act (42 U.S.C. § 300f); (9) the Occupational Health and Safety Act of 1970 (29 U.S.C. § 651 *et seq.*); (10) the Emergency Planning and Community Right to Know Act (42 U.S.C. § 11001 *et seq.*); and (10) the Illinois Environmental Protection Act (415 ILCS 5/1 through 5/56.6).

Special Conditions Regarding Remedial Program for  
Utilization of Minority Business Enterprise ("MBE"),  
Women Business Enterprise ("WBE") and  
Economically Disadvantaged Firms

SECTION 1

POLICY STATEMENT

Section 1.1 It is the policy of the Commission to ensure competitive business opportunities for MBE and WBE firms in the performance of Contracts, to prohibit discrimination in the award of or participation in Contracts, and to abolish arbitrary barriers to full participation in Contracts by all persons, regardless of race, sex or ethnicity. Therefore, during the performance of this Contract, the Contractor must agree that it shall not discriminate against any person or business on the basis of race, color, religion, ancestry, age, marital status, physical or mental handicap, unfavorable discharge from military service, parental status, sexual orientation, national origin or sex, in the solicitation or the purchase of goods and services or the subcontracting of work in the performance in this Contract.

Section 1.2 The Commission shall require the Contractor also agrees to take affirmative action to ensure that MBE and WBE firms shall have the maximum opportunity to compete for and perform subcontracts with respect to this Contract.

SECTION 2

Section 2.1 For purposes of this Special Condition, the following definitions shall apply:

- (a) "Affiliate" of a person or entity means a person or entity that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with the person or entity. In determining whether persons or entities are affiliates, the Commission shall consider all appropriate factors including common ownership, common management and contractual relationships. Affiliates shall be considered together in determining whether a firm is a Small Business Enterprise.
- (b) "Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of existing inventory and provides no commercially useful function other than acting as a conduit between a supplier and a customer.
- (c) "Certification" or "Certified" shall mean a person or entity qualified or granted certification as a Minority Business Enterprise (MBE) or Woman Business Entity (WBE) by the City of Chicago.
- (d) "Commercially useful function" means responsibility for the execution of a distinct element of the work of the contract which is carried out by actually performing, managing and supervising the work involved or fulfilling responsibilities as a joint venture.
- (e) "Construction Contract" means a contract for the construction, repair, alteration,

renovation or improvement of any building, facility or other structure.

(f) "Contract" means any contract awarded by the Commission which is to be paid from funds belonging to or administered by the Commission regardless of source.

(g) "Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract based upon the availability of MBEs and WBEs to perform and anticipated scope of work of the contract and the Commission's progress towards meeting the aspirational goals.

(h) "Contractor" means any person or business entity that seeks to enter into a Construction Contract with the Commission and includes all partners, affiliates and joint ventures of such person or entity.

(i) "Economically disadvantaged" means an individual whose personal net worth is less than \$750,000, indexed annually for the Chicago Metro Area Consumer Price Index published by the U.S. Department of Labor, Bureau of Labor Standards, beginning January, 1999.

(j) "Executive Director" means the Executive Director of the Commission or his duly designated representative as appointed in writing.

(k) "Good faith efforts" means actions undertaken by a Contractor to achieve a Contract Specific Goal that by their scope, intensity and appropriations to the objective can reasonably be expected to fulfill the Program's requirements.

(l) "Joint venture" means an association of two or more persons or entities or any combination of two or more business enterprises and persons numbering two or more, proposing to perform a single for-profit business enterprise, in which each joint venture partner contributes property, capital, efforts, skill and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly-defined portion of the work of the contract and whose share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest. Joint ventures must have an agreement in writing specifying the terms and conditions of the relationships between the parties and their relationship and responsibilities to the contract.

(m) "Local business enterprise" means, for purposes of Certification, a business entity located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois (the "Six County Region"), which has the majority of its regular, full time work force located within the Six County Region.

(n) "Minority" means:

(i) Any individual in the following racial or ethnic groups, members of which are rebuttably presumed to be socially disadvantaged:

(A) African-Americans or Blacks, which includes persons having

origins in any of the Black racial groups of Africa;

(B) Hispanics, which includes persons of Spanish culture with origins in Mexico, South or Central America or the Caribbean Islands, regardless of race; and

(ii) Individual members of other groups, including but not limited to Asian-Americans, Arab-Americans and Native-Americans, found by the Commission to be socially disadvantaged by having suffered racial or ethnic prejudice or cultural bias within American society, without regard to individual qualities, resulting in decreased opportunities to compete in Chicago area markets or to do business with the Commission.

(o) "Minority-owned business enterprise" or "MBE" means a small local business enterprise which is at least 51 percent owned by one or more economically disadvantaged minority persons, or in the case of a publicly held corporation at least 51 percent of all classes of the stock of which is owned by one or more economically disadvantaged minority persons whose management, policies, major decisions and daily business operations are independently managed and controlled by one or more economically disadvantaged minority persons.

(p) "Owned" means having all of the customary incidents of ownership, including the right of disposition and sharing in all of the risks, responsibilities and profits commensurate with the degree of ownership.

(q) "Personal net worth" means the net value of the assets of an individual after total liabilities are deducted. An individual's personal net worth does not include the individual's ownership interest in an applicant or other certified MBE or WBE or the individual's equity in his or her primary place of residence. As to assets held jointly with his or her spouse, an individual's personal net worth includes only that individual's share of such assets. An individual's net worth also includes the present value of the individual's interest in any vested pension plans, Individual Retirement Accounts, 401(K) accounts or other retirement savings or investment programs less the tax and interest penalties that would be imposed if the asset were distributed at the present time.

(r) "Program" means the minority- and women-owned business enterprise construction procurement program established in this special condition.

(s) "Small business enterprise" means a small business as defined by the U.S. Small Business Administration pursuant to the business size standards found in 13 C.F.R Part 121 relevant to the scope(s) of work the firm seeks to perform on Commission contracts. A firm is not an eligible small business enterprise in any fiscal year in which its gross receipts, averaged over the firm's previous five fiscal years, exceed the size standards of 13 C.F.R Part 121.

(t) "Small local business enterprise" means a business that is a small business

enterprise and a local business enterprise.

(u) "Woman" means a person of the female gender, who is presumed to be socially disadvantaged.

(v) "Women-owned business enterprise" or "WBE" means a small local business enterprise which is at least 51 percent owned by one or more economically disadvantaged women or in the case of a publicly owned business, at least 51 percent of all classes of the stock of which is owned by one or more economically disadvantaged women, whose management, policies, major decisions and daily business operations are independently managed and controlled by one or more economically disadvantaged women.

### SECTION 3

#### ASPIRATIONAL AND CONTRACT SPECIFIC GOALS

Section 3.1 Upon the effective date of these Special Conditions, the bi-annual aspirational goals shall be to award 24 percent of the annual dollar value of all Commission Construction Contracts to certified MBEs and 4 percent of the annual dollar value of all Commission Contracts to qualified WBEs and 25 percent of the annual dollar value of all other Commission Contracts to certified MBEs and 5 percent of the annual dollar value of the all other Commission Contracts to certified WBEs.

The Commission shall establish subsequent bi-annual aspirational goals for the award of Commission Contracts based on the best available evidence. Quotas are hereby prohibited.

Section 3.2 As one method to achieve the aspirational goals, the Executive Director is authorized to establish contract specific goals for MBE and WBE participation for each contract let through competitive bidding. Contract specific goals shall be based on normal industry practice, as determined in consultation with other governmental agencies, the scope of work of the contract, the availability of at least three MBEs and three WBEs to perform the functions of those individual contracts, and the Commission's progress to date towards meeting the bi-annual, aspirational goals of Section 4.1. The Executive Director shall implement administrative procedures to establish contract-specific goals.

Section 3.3 Each Bidder's commitment to utilization of certified MBE and WBE firms shall be considered as further evidence of the responsibility of the Bidder. Further, the Bidder must agree to use its best efforts to include MBE and WBE firms in any Contract modification work that increases the Contract value of ten (10%) percent of the initial Contract value or fifty thousand (\$50,000) dollars, whichever is less.

Section 3.4 Failure to carry out the commitments and policies set forth in this Program shall constitute a material breach of contract and may result in termination of the Contractor or such other remedy as the Commission deems appropriate.

### SECTION 4

## RACE AND GENDER-NEUTRAL MEASURES

Section 4.1 The Commission shall develop and use race and gender-neutral measures to facilitate the participation of small business enterprises in Commission Contracts. Race and gender-neutral measures shall be used to the maximum feasible extent to meet the bi-annual aspirational goals established in Section 4.1. These measures may include, but are not limited to:

- (a) Arranging solicitation times for the presentations of bids, specifications, and delivery schedules so as to facilitate the participation of interested contractors and subcontractors;
- (b) Segmenting contracts so as to facilitate the participation of small business enterprises;
- (c) Providing assistance to businesses in overcoming barriers such as difficulty in obtaining bonding and financing;
- (d) Providing timely informational programs on contracting procedures, bid preparation and specific contracting opportunities;
- (e) Holding pre-bid conferences, where appropriate, to explain the projects and to encourage contractors to use small business enterprises as subcontractors;
- (f) Adopting prompt payment procedures, including requiring by contract that prime contractors pay subcontractors within specified days of receipt of payment from the Commission and where necessary, issuing payments directly to subcontractors in lieu of payments to prime contractors;
- (g) Reviewing bonding, insurance and retainage requirements so as to eliminate unnecessary barriers to and reduce the burdens of contracting with the Commission;
- (h) Expediting payments and advancing payments to cover start-up and mobilization costs, where appropriate;
- (i) Providing information concerning small business loan programs and other programs providing access to capital to small business enterprises;
- (j) Collecting information from all prime contractors on Commission construction contracts detailing the bids received from all subcontractors for Commission construction contracts and the expenditures to subcontractors utilized by prime contractors on Commission construction contracts;
- (k) At the discretion of the Executive Director, letting a representative sample of Commission construction contracts without goals to determine MBE and WBE utilization in the absence of goals;
- (l) Providing a bid preference on construction contracts of 2 percent for firms bidding on prime contracts whose principal place of business is located in the City of Chicago;

- (m) Limiting the self-performance of prime contractors, where appropriate;
- (n) Creating a target market program for bidding on Commission prime construction contracts by small local business enterprises;
- (o) To the extent practicable, awarding contracts requiring the expenditure of funds not exceeding \$5,000 to small local business enterprises; and
- (p) Referring complaints of discrimination against MBEs or WBEs to appropriate authorities, for investigation and resolution.

## SECTION 5

### CONTRACT PROVISION

Section 5.1 Each Commission Contract let through competitive bidding with an estimated value in excess of \$5,000 for which contract specific goals have been established shall contain the following requirements:

- (a) Include with the bid specifications for each competitively bid contract a list of certified MBEs and WBEs that are available to perform the work required by the specifications or otherwise make such a list available to potential contractors.
- (b) A description of this Special Condition and the program including the requirement of an approved compliance plan; the requirements related to achieving the goals and counting MBE or WBE participation towards meeting the goals; if goals are not met, the requirement of documentation of the Contractor's good faith efforts to achieve the goals including the good faith efforts of MBEs and WBEs to achieve the goal for which they do not qualify; and a requirement that the Contractor commit to the expenditure of at least the dollar value of the contract specific goals with one or more MBEs and one or more WBEs or make good faith efforts to do so. This commitment may be met by the contractor's status as a MBE or WBE, a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE's or WBE's participation in such joint venture), subcontracting a portion of the work to one or more MBEs or WBEs, purchasing materials or services for the work from one or more MBEs or WBEs or by any combination of the foregoing;
- (c) A requirement that prime contractors on Commission construction contracts notify MBEs and WBEs utilized on those contracts about opportunities on contracts without affirmative action contracting goals;
- (d) A requirement that where the Contractor cannot achieve the contract specific goals it must document its good faith efforts to do so. In determining whether the contractor has made such good faith efforts, the performance of other contractors in meeting the goals may be considered. The Executive Director or his designee shall consider, at a minimum, the Contractor's efforts to do the following:
  - (i) Soliciting through reasonable and available means the interest of MBEs or

WBEs that have the capability to perform the work of the contract. The contractor must solicit this interest within sufficient time to allow the MBEs or WBEs to respond. The contractor must take appropriate steps to follow up initial solicitations with interested MBEs or WBEs.

(ii) Provide interested MBEs or WBEs with adequate information about the plans, specifications and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.

(iii) Negotiating in good faith with interested MBEs or WBEs that have submitted bids. Documentation of negotiation must include the names, addresses and telephone numbers of MBEs or WBEs that were solicited; the date of each such solicitation; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with MBEs or WBEs to perform the work. That there may be some additional costs involved in solicitation and using MBEs and WBEs is not a sufficient reason for a contractor's failure to meet the goals, as long as such costs are reasonable.

(iv) Not rejecting MBEs or WBEs as being unqualified without sound reasons based on the thorough investigation of their capabilities. The MBEs' or WBEs' standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations are not legitimate causes for rejecting or not soliciting bids to meet the goals.

(v) Making a portion of the work available to MBE or WBE subcontractors and suppliers and to select those portions of the work or material consistent with the available MBE or WBE subcontractors and suppliers, so as to facilitate meeting the goals.

(vi) Making good faith efforts despite the ability or desire of a Contractor to perform the work of a contract with its own organization. A Contractor that desires to self-perform the work of a contract must demonstrate good faith efforts unless the goals have been met.

(vii) Selecting portions of the work to be performed by MBEs or WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE or WBE participation even when the Contractor might otherwise prefer to perform these work items with its own forces.

(viii) Making efforts to assist interested MBEs or WBEs in obtaining bonding lines of credit or insurance as required by the Commission or Contractor.

(ix) Making efforts to assist interested MBEs or WBEs in obtaining necessary equipment, supplies, materials or related assistance or services, including participation in a mentor-protégée program; and

- (x) Effectively using the services of the Commission; minority or women community organizations; minority or women contractors' groups; local, state and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of MBEs or WBEs.
- (e) Provide a procedure whereby the Contractor may protest the determination that it did not make good faith efforts.
- (f) Negotiate with any Contractor whose contract is in excess of \$25,000 in value and is not awarded by competitive bidding a commitment, where practicable, to meet at least the aspirational goals as percentages of the dollar value of the contract.
- (g) Include MBEs and WBEs on solicitation mailing lists and encourage that they be solicited for suitable contracts.
- (h) Publicize the Program through appropriate means, in order to attract qualified MBEs and WBEs.

Section 5.2 To achieve the contract specific goals, the Executive Director shall undertake, in addition to the other measures provided herein, the following:

- (a) Include uniform provisions permitting the termination of the contract by the Commission upon the disqualification of the Contractor as a MBE or WBE if the contractor's status as MBE or WBE was a factor in the award of the contract and such status was misrepresented by the Contractor;
- (b) Include uniform provisions permitting termination of the contract by the Commission upon the disqualification of any MBE or WBE if the subcontractor's or supplier's status as a MBE or WBE was a factor in the award of the contract and the status of the subcontractor or supplier was misrepresented by the contractor. In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall discharge the disqualified subcontractor or supplier and make good faith efforts to engage a qualified MBE or WBE replacement;
- (c) Include uniform provisions allowing the Executive Director access to the Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by the Commission for any purpose;
- (d) Review each proposed contract modification request that, by itself or aggregated with previous modification requests, increases the contract value by ten percent of the initial contract value or \$50,000.00, whichever is less, for opportunities to increase participation of MBEs or WBEs. Where the proposed contract modification involves work which can be performed by MBEs or WBEs already performing work on the contract such MBEs and WBEs shall participate in such work specified in the contract modification;

- (e) Insert in each contract containing a commitment to MBE and/or WBE participation:
  - (i) A requirement of periodic reporting by the Contractor to the Executive Director on all expenditures made to achieve compliance with the foregoing provisions. Such reports shall include the name and business address of each subcontractor and supplier actually involved in the contract, a description of the work performed and/or product or service supplied by each such subcontractor or supplier, the date and amount of each expenditure, and such other information as may assist the Executive Director in determining the Contractor's compliance with the foregoing provisions;
  - (ii) A requirement that the Contractor cannot make changes to its contractual MBE and WBE commitments or substitute such MBE or WBE subcontractors without the prior written approval of the Executive Director. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of this section and a breach of the contract with the Commission, and may cause termination of the contract for breach, and/or subject the Contractor to contract remedies or other sanctions. The facts supporting the request must not have been known nor reasonably should have been known by the parties prior to entering into the subcontract.
- (f) Substitutions of the subcontractor shall be permitted only on the following bases:
  - (I) Unavailability after receipt of reasonable notice to proceed;
  - (ii) Failure of performance;
  - (iii) Financial incapacity;
  - (iv) Refusal by the subcontractor to honor the bid or proposal price or scope;
  - (v) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;
  - (vi) Failure of the subcontractor to meet insurance, licensing or bonding requirements;
  - (vii) The subcontractor's withdrawal of its bid or proposal; or
  - (viii) Decertification of the subcontractor as MBE or WBE.

Where the Contractor has established the basis for the substitution to the satisfaction of the Executive Director, it must make good faith efforts to substitute with a MBE or WBE subcontractor. If the MBE or WBE contract specific goal cannot be reached and good faith efforts have been made, the Contractor may substitute with a non-MBE or non-WBE. If a Contractor plans to hire a subcontractor on any scope of work that was not previously disclosed within the compliance plan the Contractor must obtain the approval of the Executive Director to modify the compliance plan and must make good faith efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

## SECTION 6

### DETERMINING MBE/WBE UTILIZATION

Section 6.1 The methodology for determining MBE and WBE utilization shall be determined for purposes of analysis with respect to this contract as follows:

- (a) The total dollar value of the contract awarded to the certified MBE or WBE firm shall be credited to such participation. Only minority business participation may be counted toward MBE participation and only women business participation may be counted toward WBE participation.
- (b) The total dollar value of a contract with a firm owned and controlled by minority women is counted toward either the MBE or WBE goal, but not both. The Contractor employing the firm may choose the goal to which the contract value is applied. Various work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively done under one subcontract only, which subcontractor may be counted toward only one of the goals, not toward both.
- (c) In a firm owned and controlled by both minority males and minority females, if the minority females own and control 51% or more of the business, then the total dollar value of a contract with such firm may be counted toward either MBE participation or WBE participation, but not both. If the minority females, however, own and control less than 51% of the firm, then the firm's participation may be counted only toward MBE utilization.
- (d) A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A joint venture satisfies the eligibility standards of this Program if the certified MBE or WBE participant of the joint venture:
  - (i) Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and
  - (ii) Is responsible for a clearly defined portion of work to be performed in proportion to the MBE or WBE ownership percentage.
- (e) A Contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially-useful function in the work of a contract. A firm is considered to perform a commercially-useful function when it is responsible for execution of a distinct element of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially-useful function, the Commission shall evaluate the amount of work subcontracted, industry practices and other relevant factors.

(f) Consistent with normal industry practices, a MBE or WBE firm may enter into subcontracts. If a MBE or WBE contractor subcontracts a significantly greater portion of the work of a contract than would be expected on the basis of normal industry practices, the MBE or WBE shall be rebuttably presumed not to be performing a commercially-useful function.

(g) A Contractor may count toward its goals expenditures to MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale).

(h) A Contractor may count toward its goals expenditures to MBE or WBE suppliers provided that the supplier performs a commercially-useful function in the supply process.

## SECTION 7

### SUBMISSION OF BID PROPOSALS

Section 7.1 The following schedules and documents constitute the Bidder's MBE/WBE compliance proposal and must be submitted at the time of the bid or proposal or within such extended period as provided in Section VII hereof:

(a) Evidence of Certification/Schedule A: Affidavit of MBE/WBE. A copy of each proposed MBE and WBE firm's Letter of Certification from the certifying agency must be submitted. Where the Bidder's MBE/WBE compliance proposal includes any MBE or WBE firm that is not currently certified (as evidenced by a Letter of Certification), "Schedule A: Affidavit of MBE/WBE" executed by the proposed MBE or WBE must be submitted.

(b) Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Ventures. Where the Bidder's MBE/WBE compliance proposal includes participation of any MBE or WBE as a joint venture participant on any tier, the Bidder must submit a "Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Venture" with an attached copy of the joint venture agreement proposed among the parties. The Schedule B and the joint venture agreement must clearly evidence that the MBE or WBE participant will be responsible for a clearly defined portion of the work to be performed and that the MBE or WBE firm's responsibilities are in proportion with its ownership percentage. In order to demonstrate the MBE or WBE participant's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement should include specific details related to:

- (i) The contributions of capital and equipment;
- (ii) Work items to be performed by the MBE or WBE firm's own forces;
- (iii) Work items to be performed under the supervision of the MBE or WBE participant; and
- (iv) The commitment of management, supervisory and operational personnel

employed by the MBE or WBE to be dedicated to the performance of the contract.

(c) Schedule C: Letter of Intent to Perform as a Subcontractor, Subconsultant, or Material Supplier, Schedule C, executed by the MBE/WBE firm (or Joint Venture Subcontractor) must be submitted by the Bidder for each MBE/WBE included on the Schedule D. Schedule C must accurately detail the work to be performed by the MBE or WBE firm and the agreed rates and prices to be paid.

(d) Schedule D: Affidavit of Prime Contractor Regarding MBE or WBE Utilization. A completed Schedule D committing to the utilization of each listed MBE or WBE firm. Unless the Bidder has submitted a completed request for a waiver of participation by MBE/WBE firms (See Request for Waiver procedures in Section VIII hereof), the Bidder must include the specific dollar amount of participation of each MBE/WBE firm listed on its Schedule D. The total dollar commitment to proposed MBE firms must at least equal the MBE goal, and the total dollar commitment to proposed WBE firms must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of MBE or WBE utilization as percentages of their total base bid.

Section 7.2 The submittals must have all blank spaces on the Schedule pages applicable to the contract correctly filled in. Agreements between a Bidder and a MBE/WBE in which the MBE/WBE promises not to provide subcontracting quotations to other Bidders are prohibited.

## SECTION 8

### EVALUATION OF BID PROPOSALS

Section 8.1 During the period between bid opening and contract award, the submitted documentation will be evaluated by the Commission. The Bidder agrees to provide, upon request, earnest and prompt cooperation to the Executive Director or his designee in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed MBE or WBE firm in providing such assistance. A bid may be treated as non-responsive by reason of the determination that the Bidder's proposal did not contain a sufficient level of Certified MBE or WBE participation, that the Bidder was unresponsive or uncooperative when asked for further information relative to the proposal, or that false statements were made in the Schedules.

Section 8.2 If the Commission's review of a Bidder's proposal concludes that the MBE or WBE proposal was deficient, the Commission shall promptly notify the Bidder of the apparent deficiency and instruct the Bidder to submit (within three (3) business days of such notice given by the Commission) a modification of the MBE or WBE Proposal, in proper format, which remedies the deficiencies cited. Failure to correct all deficiencies cited by the Commission will be cause for rejection of the Bidder's proposal as nonresponsive.

Section 8.3 Bidders will not be permitted to modify their MBE/WBE compliance proposal except insofar as directed to do so by the Commission. Therefore, all terms and conditions stipulated for prospective MBE and WBE subcontractors or suppliers should be satisfactorily negotiated prior to the

submission to the Commission of the Bidder's MBE/WBE compliance proposal with the bid. If circumstances should arise, however, where a proposed MBE/WBE is no longer available, the process described in Section 6.2(f) should be followed.

## SECTION 9

### REQUEST FOR WAIVER

Section 9.1 If a Bidder is unable to identify qualified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for this Contract, the bid or proposal must include a written request for waiver. A request for waiver shall set forth the Bidder's inability to obtain sufficient MBE and WBE firms notwithstanding good faith attempts to achieve such participation.

Section 9.2 Examples of such good faith efforts may include, but are not limited to, the following:

- (a) Attendance at the Pre-bid conference;
- (b) The Bidder's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies;
- (c) Advertisement in trade association newsletters and minority and women-oriented and general circulation media for specific sub-bids;
- (d) Timely notification of specific sub-bids to minority and women contractor assistance agencies and associations;
- (e) Description of direct negotiations with MBE and WBE firms for specific sub-bids, including:
  - (i) The name, address and telephone number of MBE and WBE firms contacted;
  - (ii) A description of the information provided to MBE and WBE firms regarding the portions of the work to be performed; and
  - (iii) The reasons why additional MBE and WBE firms were not obtained in spite of negotiations.
- (f) A statement of the efforts made to select portions of the work proposed to be performed by MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the contract) in order to increase the likelihood of achieving such participation.
- (g) As to each MBE and WBE contacted which the Bidder considers to be not qualified, a detailed statement of the reasons for the Bidder's conclusion.
- (h) Efforts made by the Bidder to expand its search for MBE and/or WBE firms beyond usual geographic boundaries.

- (i) General efforts made to assist MBE and WBE firms to overcome participation barriers.

Section 9.3 The Executive Director, after review and evaluation of the documents provided by the Bidder, may grant a waiver request upon the determination that:

- (a) Sufficient qualified MBE and/or WBE firms capable of providing the goods or services required by the contract are unavailable despite the good faith efforts of the Bidder;
- (b) The Bidder is the sole source for work to be performed under the contract; or
- (c) The price(s) quoted by potential MBE and/or WBE firms for goods or services is above competitive levels to an extent unwarranted by any increased cost of doing business attributable to the present effects of disadvantage or discrimination.

## SECTION 10

### REPORTING AND RECORD-KEEPING REQUIREMENTS

Section 10.1 The Contractor, within five (5) working days of contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid proposal and MBE/WBE assurances, and submit to the Commission a copy of the MBE and WBE subcontracts or purchase orders, each showing acceptance of the subcontract or purchase order by the MBE and WBE firms. During the performance of the contract, the Contractor shall submit partial and final waivers of lien from MBE and WBE subcontractors and suppliers indicating the current payment amount and the cumulative dollar amount of payments made to date. The Contractor shall file regular MBE and WBE utilization reports on the form entitled "Status Report of MBE and WBE (Sub) Contract Payments" at the time of submitting each monthly payment voucher ("Summary of Estimate"), which reflects the current status of cumulative and projected payments to MBE and WBE firms.

Section 10.2 The Contractor shall maintain records of all relevant data with respect to the utilization of MBE and WBE firms, including without limitation payroll records, tax returns and records, and books of account, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Commission and/or its designees, on five (5) business days' notice in order for the Commission to determine the Contractor's compliance with its MBE and WBE commitments and the status of any MBE or WBE firm performing any portion of the contract.

## SECTION 11

### NON-COMPLIANCE AND LIQUIDATED DAMAGES

Section 11.1 The Executive Director has the authority to apply suitable sanctions to the Contractor if the Contractor is found to be in non-compliance with the MBE and WBE requirements. Failure to comply with the MBE or WBE terms of this contract or failure to use MBE and WBE firms as stated in the Contractor's assurances constitutes a material breach of the contract, and may lead to the suspension or termination of the contract in part or in whole, disqualification from entering into future

contracting arrangements with the Commission, and criminal liability. In some cases, monthly progress payments may be withheld until corrective action is taken.

SECTION 11.2 When the contract is completed, in the event that the Executive Direct has determined that the Contractor did not comply in the fulfillment of the required MBE and/or WBE goals, and a grant of relief of the requirements was not obtained, the Commission will thereby be damaged in the failure to provide the benefit of participation to minority or women business to the degree set forth in this Special Condition. Therefore, in case of such non-compliance, the Commission will deduct as liquidated damages one (1%) percent (or fraction thereof) deficiency toward the MBE goal or WBE goal.

## SECTION 12

### REVIEW AND SUNSET

Section 12.1 These Special Conditions shall be reviewed no later than 5 years from their adoption and shall expire on October 31, 2009 unless the Commission find that its remedial purposes have not been fully achieved and there is a compelling interest in continuing narrowly tailored remedies to redress discrimination against MBEs or WBEs so that the Commission will not function as a passive participant in a discriminatory marketplace.

## SECTION 13

### SEVERABILITY

Section 13.1 In the event that any section, subsection, paragraph, clause, provision or application of these Special Conditions shall be held invalid by any court, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof.
