j. **User Agency** means the municipal corporation that requested the Commission to undertake the construction and/or improvement of the Project.

2. Incorporation of Documents. The documents identified below in this paragraph are hereby incorporated in and made a part of this Agreement. By executing this Agreement, Consultant acknowledges and agrees that Consultant is familiar with the contents of each of such documents and will comply fully with all applicable portions thereof in performing the Services.

a. Project Documents. The plans and specifications for the Project, to the extent that plans and specifications for the Project have been prepared, as set forth and described in this Agreement (the "Project

Documents").

b. Policies Concerning MBE and WBE. The Commission's policies concerning utilization of minority business enterprises ("MBE") and women business enterprises ("WBE"), as the same may be revised from time to time.

3. Engagement and Standards for Performing Services.

a. Engagement. The Commission hereby engages the Consultant, and the Consultant hereby accepts such engagement, to provide the Services described in this agreement, as the same may be amended, in writing, from time to time by mutual agreement of the Commission and the Consultant.

b. Performance Standard. The Consultant represents and agrees that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by practicing environmental consulting professionals performing services of a scope, purpose, and magnitude comparable with the Services to be provided under this Agreement. If in the course of performing the Services, Consultant identifies any environmental condition, situation, issue or problem that may impact the performance of the Services or the Project, Consultant shall promptly provide notice to the Commission. The Consultant further promises that it will assign at all times during the term of the Agreement the number of experienced, appropriately trained employees necessary for the Consultant to perform the Services in the manner required by the Agreement.

c. Consultant's Personnel. Consultant must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must maintain current copies of any such licenses and provide these copies upon request by the Commission. Consultant remains responsible for the professional and technical accuracy of all Services furnished, whether by the Consultant or others on its behalf. All deliverables will be prepared in a form and content satisfactory to the Commission and delivered in a timely manner consistent with the requirements of the Agreement.

d. Confidentiality. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the Commission and User Agency. Consultant must at all times use its best efforts on behalf of the Commission to assure timely and satisfactory rendering and completion of its Services. Consultant must at all times act in the best interests of the Commission and User Agency consistent with Consultant's professional obligations assumed by Consultant in entering into this Agreement. Consultant promises to cooperate with the officials, employees and agents of the Commission and User Agency in furthering the Commission's and User Agency's interests. Consultant must perform all Services in accordance with the terms and conditions of this Agreement, to the reasonable satisfaction of the Commission.

e. Independent Contractor. In performing the Services under this Agreement, Consultant shall at all times be an independent contractor, and does not and must not act or represent itself as an agent or employee of the Commission or the User Agency. As an independent contractor, Consultant is solely and wholly responsible for determining the means and methods for performing the Services. The Agreement will not be construed as an agreement of partnership, joint venture, or agency.

f. Limitations on Sub-Consultants. Consultant must not use any business or individual who is disqualified by the Commission or debarred under any other governmental agency's procedures to provide the Services under the Agreement.

g. Failure to Meet Performance Standard. If the Consultant fails to comply with its obligations under the standards of the Agreement, the Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the Commission does not relieve Consultant of its responsibility to render the Services and deliverables with the professional skill and care and technical accuracy required by the Agreement. This provision in no way limits the Commission's rights against the Consultant, either under the Agreement, at law or in equity.

h. Changes to the Services. The Commission may from time to time, request changes to the terms of the Agreement or in the Scope of Services of the Consultant to be performed hereunder. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the Commission and Consultant, shall be incorporated in a written amendment to this Agreement. The Commission shall not be liable for any changes absent such written amendment.

4. Duties and Obligations of Consultant

a. Nondiscrimination. The Consultant agrees that in performing this Agreement it shall not discriminate against any worker, employee or applicant for employment, or any member of the public, because of race, creed, gender, color, national origin or disability, or otherwise commit an unfair labor practice. Attention is called to applicable provisions of the Civil Rights Act of 1964, 88-352, July 2, 1964, 78 Stat. 241 et. Seq. the Americans with Disabilities Act of 1990, 42 U.S.C. 12010 et. Seq. the Illinois Human Rights Act 775 ILCS 5/1-101 et. Seq. and the Public Works Employment Discrimination Act 775 ILCS 10/0.0 1 through 10/20, inclusive and a Resolution passed by the Board of Commissioners of the Public Building Commission of Chicago on October 1, 2004, concerning participation of Minority Business Enterprises and Women Business Enterprises on contracts awarded by the Commission. The Consultant will furnish such reports and information as requested by the Commission and the Illinois Department of Human Relations or any other administrative or governmental entity overseeing the enforcement, administration or compliance with the above referenced laws and regulations.

b. Employment Procedures, Preferences and Compliances. Salaries of employees of Consultant performing work under this Agreement shall be paid unconditionally and not less often than once a month without deduction or rebate on any account except only such payroll deductions as are mandatory or permitted by the applicable law or regulations. Attention is called to Illinois Compiled Statutes, 1992 relating to Wages and Hours including 820 ILCS 130/0.01 through 130/12 thereof (Prevailing Wage Act), 30 ILCS 570/1 through 570/7 (Employment of Illinois Workers on Public Works Act) and 30 ILCS 560/0.01 through 560/7 (Public Works Preference Act). The Consultant shall comply with all applicable "Anti-Kickback" laws and regulations, including the "Anti-Kickback" Act of June 13, 1934 (48 Stat. 948; 62 Stat. 740; 63 Stat. 108; 18 U.S.C. § 874; 40 U.S.C. § 276c) and the Illinois Criminal Code of 1961 720 ILCS 5/33E-1 et. seq. If, in the performance of this Agreement, there is any direct or indirect kickback, the Commission shall withhold from the Consultant, out of payments due to it, an amount sufficient to pay employees underpaid the difference between the salaries required hereby to be paid and the salaries actually paid such employees for the total number of hours worked. The amounts withheld shall be disbursed by the Commission for and on account of the Consultant to the respective employees to whom they are due.

c. Compliance with Policies Concerning MBE and WBE. Without limiting the generality of the requirements of the policies of the Commission referred to in paragraph 2 above, the Consultant agrees to use best efforts to utilize minority business enterprises for not less than twenty five percent (25%) for MBE and five percent (5%) for WBE of the value of the Services, in accordance with the Resolution passed by the Board of Commissioners of the Commission on October 1, 2004, concerning participation of minority business enterprises and women business enterprises on contracts awarded by the Commission and to furnish to the Commission, such reports and other

information concerning compliance with such Resolution as may be requested by the Commission from time to time.

d. Delays. The Consultant agrees that no charges for damages or claims for damages shall be asserted by it against the Commission for any delays or hindrances from any cause whatsoever during the progress of any portion of the Services. Such delays or hindrances, if any, shall be compensated for by an extension of time to complete the Services, for such reasonable period as may be mutually agreed upon between the parties, it being understood, however, that the agreement of the Commission to allow the Consultant to complete the Services or any part of them after the time provided for the completion thereof herein shall in no way operate as a waiver on the part of the Commission of any of its rights hereunder.

e. Records. The Consultant shall maintain accurate and complete records of expenditures, costs and time incurred by Consultant in connection with the Project and the Services. Such records shall be maintained in accordance with recognized commercial accounting practices. The Commission may examine such records at Consultant's offices upon reasonable notice during normal business hours. Consultant shall retain all such records for a period of not less than five calendar years after the termination of this Agreement.

f. Time of Essence. The Consultant acknowledges and agrees that time is of the essence in the performance of this Agreement and that timely completion of the Services is vital to the completion of the Project by the Commission. Consultant agrees to use its best efforts to expedite performance of the Services and performance of all other obligations of the Consultant under this Agreement and any other agreements entered into by the Commission which are managed or administered by the Consultant as a result of the Consultant's engagement hereunder.

g. Compliance with Laws. In performing its engagement under this Agreement, the Consultant shall comply with all applicable federal, state and local laws, including but not limited to, those referenced in subparagraphs (a) and (b) above and in the documents referred to in paragraph 2 of this Agreement.

h. Progress Meetings. Meetings to discuss the progress of the Project and/or to review the performance of the Consultant may be scheduled upon the Commission's request, at mutually agreeable times and locations, and the Consultant agrees to cause such meetings to be attended by appropriate personnel of the Consultant engaged in performing or knowledgeable of the Services.

i. Defects in Project. The Consultant shall notify the Commission immediately in the event the Consultant obtains knowledge of a defect in the Project or circumstances which could result in a Project delay or cost overrun.

5. Term.

a. The term of this Agreement shall begin upon the final execution of this Agreement, and, subject to the provisions of subparagraph (b) below, shall expire upon completion of the Services and acceptance thereof by the Commission or, if the Services are of an ongoing nature, on the completion date specified in such Request for Services. The Commission and the Consultant may, from time to time, by mutual agreement, extend the term of this Agreement by amending this Agreement.

b. The Commission shall have the right, at any time, to terminate the term of this Agreement, with or without cause, by written notice given to the Consultant at least thirty (30) days prior to the effective date of termination. In addition, the Commission shall have the right, at any time and from time to time, with or without cause, to suspend the performance of the Consultant hereunder with respect to all or any part of

the Services, by written notice given to the Consultant at least five (5) days prior to the effective date of suspension. Termination or suspension of this Agreement shall not relieve the Consultant from liability for the performance of any obligation of the Consultant under this Agreement performed or to have been performed by the Consultant on or before the effective date of termination or suspension. Provided the Consultant is not in default under this Agreement at the time of termination or suspension, the Commission agrees to pay to the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of termination or suspension. In no event shall the Commission be liable to the Consultant for any loss, cost or damage which the Consultant or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided herein; provided, however, that the Commission may, in its sole discretion, reimburse the Consultant for actual expenses approved by the Commission.

c. If the Project, in whole or substantial part, is stopped for a period longer than thirty (30) days under an order of any court or other governmental authority having jurisdiction of the Project, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of the Consultant, or if the Commission fails to make any payment or perform any other obligation hereunder, the Consultant shall have the right to terminate this agreement, by written notice given to the Commission at least seven (7) days prior to the effective date of termination, and shall have the right to recover from the Commission all compensation and reimbursements due to the Consultant for periods up to the effective date of termination.

6. Compensation of Consultant; Reimbursement for Expenses. The Commission shall compensate the Consultant for the Services in the manner set forth Schedule C of this Agreement. In addition, the Commission shall, upon submission of detailed invoices by the Consultant, no more frequently than once every 30 days, and approval by the Commission of those invoices, reimburse the Consultant for all Reimbursable Expenses. As used in this paragraph, the term "Reimbursable Expenses" shall mean those expenses identified as such in this Agreement.

7. Rights and Obligations of Commission. In connection with the administration of the Project by the Commission and the performance of this Agreement by the Consultant, the Commission shall have the following rights and obligations, in addition to those provided elsewhere in this Agreement:

d. Tests and Reports. To the extent required for the Consultant to perform the Services,

the Commission may furnish structural, civil, chemical, mechanical, soil mechanical and/or other tests and reports; however, the Commission may authorize the Consultant to procure such tests and reports from Sub-Consultants, which must be approved by the Commission. The costs of such Sub-Consultants shall be payable as Reimbursable Expenses.

e. Legal, Auditing and other Services. The Commission shall arrange and pay for such legal, auditing, insurance counseling and other services as the Commission, in its sole discretion, may determine to be required for the Project. Such payments shall not include legal or auditing expenses arising out of or relating to any errors or omissions, or claimed errors or omissions, of Consultant.

f. Designated Representatives. The Commission may designate, at its sole discretion, one or more representatives authorized to act in its behalf.

g. Ownership of Documents. All documents, data, studies and reports prepared by the Consultant or any party engaged by the Consultant, pertaining to the Project and/or the Services shall be the property of the Commission including copyrights.

h. Audits. The Commission shall have the right to audit the books of the Consultant on all subjects relating to the Project and/or the Services.

8. Indemnification of Commission. 9. Insurance to be Maintained by Consultant. The Consultant shall purchase and maintain at all times during the performance of Services hereunder, for the benefit of the Commission, the User Agency and the Consultant, insurance coverage as set forth in Schedule D of this agreement

10. Default.

a. Events of Default. Any one or more of the following occurrences shall constitute an Event of Default under this Agreement:

i. Failure or refusal on the part of the Consultant duly to observe or perform any obligation or agreement on the part of the Consultant contained in this Agreement, which failure or refusal continues for a period of ten (10) days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such ten (10) day period) after the date on which written notice thereof shall have been give to the Consultant by the Commission;

ii. Failure of Consultant to perform the Services to the standard of performance set forth in this Agreement;

iii. Any representation or warranty of the Consultant set forth herein or otherwise

delivered pursuant to this Agreement shall have been false in any material respect when so made or furnished;

No course of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right shall operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

c. Remedies not Exclusive. No right or remedy herein conferred upon or reserved to the Commission is exclusive of any right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

11. Disputes.

a. General. All disputes arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including without limitation questions concerning permissibility of compensation, and all claims for alleged breach of contract, shall be presented in writing to the Executive Director for final determination.

b. Procedure. Requests for determination of disputes will be made by the Consultant in writing specifically referencing this Section, and will include: 1) the issue(s) presented for resolution; 2) a statement of the respective positions of the Consultant and the Project Manager; 3) the facts underlying the dispute; 4) reference to the applicable provisions of the Agreement by page and section; 5) identify any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. Consultant will promptly provide the Executive Director with a copy of the request for determination of the dispute. The Project Manager will have thirty (30) business days to respond in writing to the dispute by supplementing the submission or providing its own submission to the Executive Director. Failure by the Project Manager to respond will not be deemed to be an admission of any

allegations made in the request for dispute resolution, but will be deemed to constitute a waiver of the opportunity to respond to such allegation(s), if any. The Executive Director's decision may thereafter be reached in accordance with such other information or assistance as she or he may deem reasonable, necessary or desirable.

c. Effect. The Executive Director's final decision will be rendered in writing no more than forty-five (45) business days after receipt of the response by the Project Manager was filed or was due unless the Executive Director notifies the Consultant that additional time for the decision is necessary. The Executive Director's decision will be conclusive, final, and binding on all parties. Consultant must follow the procedures set out in this Section and receive the Executive Director's final decision as a condition precedent to filing a complaint in the Circuit Court of Cook County or any other court.

The Consultant will not withhold performance of any Services required by the Commission under this Agreement during the dispute resolution period. The Executive Director's written determination will be complied with pending final resolution of the dispute.

12. Confidentiality. In addition, the Consultant shall not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project or the Services.

13. Assignment. The Consultant acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Consultant and agrees, therefore, that neither this Agreement nor any right or obligation hereunder may be assigned by the Consultant, in whole or in part, without the prior written approval of the Commission. The Commission expressly reserves the right to assign or otherwise transfer all or any part of its interests hereunder without the consent or approval of the Consultant.

14. Personnel. 15. Relationship of Parties. The relationship of the Consultant to the Commission hereunder is that of an independent contractor, and the Consultant, except to the extent expressly provided to the contrary in this agreement, shall have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission. This Agreement shall not be construed as an agreement of partnership, joint venture, or agency.

16. Miscellaneous.

a. Counterparts. This Agreement may be executed in any number of counterparts, any of which shall be deemed an original.

b. Entire Agreement. This Agreement constitutes the entire understanding and agreement between the parties hereto and supersedes any and all prior or contemporaneous oral or written representations or communications with respect to the subject matter hereof, all of which communications are merged herein. This Agreement shall not be modified, amended or in any way altered except by an instrument in writing signed by both of the parties hereto.

c. Force Majeure. Neither of the parties shall be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. If a force majeure occurs, the party delayed or unable to perform shall give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of the Consultant under this Agreement for the duration of the force majeure. The Commission shall not be obligated to pay for Services to the extent and for the duration that performance thereof is delayed or prevented by force majeure, but, provided the Consultant is not in default of any obligation of the Consultant hereunder, the Commission shall pay to the Consultant, according to the terms hereof, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension.

d. Governing Law. This Agreement has been negotiated and executed in the State of Illinois and shall be construed under and in accordance with the internal laws of the State of Illinois.

e. No Waiver. The waiver by either party of any breach of this Agreement shall not constitute a waiver as to any succeeding breach.

f. Notices. All notices required to be given hereunder shall be given in writing and shall be hand delivered or sent by United States certified or registered mail, postage prepaid, addressed to Commission and to the Consultant at their respective addresses set forth above. If given as herein provided, such notice shall be deemed to have been given on the date of delivery, if delivered by hand, and on the second business day after mailing, if given by mail. The Commission or the Consultant may, from time to time, change the address to which notices hereunder shall be sent by giving notice to the other party in the manner provided in this subparagraph.

g. Reimbursable Expenses. Reimbursable expenses includes those actual expenditures, as identified in Schedule C to this Agreement, which are made by the Consultant and payable by the Commission.

Project Information

The intention of this project is for a consultant to prepare a proposal for performing a Phase II Environmental Site Assessment (ESA) and a Geotechnical Investigation for a new Fire Engine Company property at the address listed above. Attached are the Survey from Land Surveying Services Inc. from December 26, 2007 and a Phase II ESA Boring Location Plan to assist with familiarizing the consultant with this site.

Phase II Environmental Site Assessment and Report

Permits, Subcontracts, and Health & Safety

Soil borings will be used to:

- Characterize geology and determine if a water-bearing unit is present;

- Hydraulic conductivity.

Assume that the locations of soil borings will be in areas where a truck mounted rig will be able to access. See Exhibit 2.

Decontamination

Consultant shall establish an on-site decontamination area at the beginning of the field investigation. Soil Borings

Consultant shall place proposed boring locations on a scaled base map prior to execution. Soil borings can be advanced with either direct-push or hollow stem auger sampling equipment. Continuous soil samples will be obtained to the planned depth of each borehole. Soil samples will be visually inspected in the field ASTM 2488, and screened with a photo-ionization detector (PID) to document the potential presence of volatile organic compounds (VOCs). Consultant personnel shall describe the samples in accordance with the Unified Soil Classification System. A log shall be prepared for each soil boring.

Soil Analytical Testing

The consultant will select one soil samples from each soil boring for analytical testing. One sample will be obtained from fill soil or the interval with the highest potential for contamination based on:

- a) depth from surface (between 3 and 10 feet);
- b) field screening with PID;
- c) visual/olfactory evidence of impact; or
- d) observed lithology (soil/water interface).

Consultant shall collect all Phase II ESA soil samples above the water table. Selected soil samples will be analyzed for the following:

- Six soil samples for VOCs (former auto repair facility north side of site and potential dry cleaner) via USEPA Method 8260;
- Three soil samples for polynuclear aromatic hydrocarbons (PNAs) via USEPA Method 8270;
- Two soil samples for RCRA metals (USEPA Method 6010, et al).
- Two soil samples for pH.

All samples will be analyzed by an Illinois EPA-certified laboratory in accordance with U.S. Environmental Protection Agency Methods. Samples will be placed into the correct bottleware and submitted under standard chain of custody procedures. VOC samples will be obtained using SW 846 Method 5035. Soil samples will be analyzed on an expedited turnaround time of forty-eight hours if possible.

Report Requirements

Consultant shall prepare the Phase II report for PBC review. The Phase II report shall include:

- Executive Summary identifying objectives of the investigation, technical approach, contaminants of concern (COCs), and applicable SROs;
- Site characterization, including description of physical and hydro-geological features, hydraulic conductivity, boundaries, exposure routes and land uses;
- Base map;
- Methodology of field investigation, analytical testing, and presentation of data;

- Evaluation of analytical test data relative to 35 IAC 742, TACO Tier 1 SROs for Industrial/Commercial Properties;

- Appendices containing references, data sources, soil boring logs, laboratory data, and Professional Geologist certification.

Protection of Property

Prior to initiating investigation activities, the consultant and its selected drilling sub-consultant will contact DIGGER to mark underground utilities in public rights-of-way prior to conducting site assessment activities. The consultant shall contact the PBC Project Manager and all utility companies for information regarding buried utilities and structures, shall take all reasonable precautions to prevent damage to property both visible and concealed, and shall restore the site to the conditions existing prior to site entry.

Deliverables for Environmental Site Assessment Phase II

The draft report shall be supplied to the PBC Project Manager (PBC PM) for review within 30 days of authorization to start work once the Right of Entry is received, as an electronic copy (text in Word and whole report as PDF). Upon review by PBC PM, comments will be sent for incorporation by the consulting company. The revised report (text in Word plus other documents) including PBC comments shall be provided to PBC PM for one final check before the final complete draft will be prepared by the consulting company. If the comments are not incorporated by the consultant in the final draft report, the consultant shall prepare a letter explaining the reason for not incorporating the comments to the PBC PM.

The final ESA Phase II shall be revised and the final drafts shall be also provided to PBC PM within one week of receipt of draft report comments. Consultant shall furnish three hard copies of the final report and an electronic copy in Adobe Acrobat format on CD.

The Phase II ESA and geotechnical investigation shall be completed and the report delivered to the PBC PM within thirty (30) business days after written authorization to proceed.

The Public Building Commission of Chicago may reproduce the report without modifications and distribute the report in connection with the use or disposition of the property without incurring obligation for additional compensation to the geotechnical engineer.

Geotechnical Investigation and Report Scope of Work

Project Information

The proposed new Fire Engine Company facility is to be one-story in height with a steel framed super structure and a masonry veneer exterior cavity wall with masonry back-up. The roof structure will be metal deck over steel framing. The maximum anticipated interior column load will be 220 kips and the maximum anticipated wall load will be 7 kips per lineal foot.

Permits, Subcontracts, and Health & Safety

Consultant will not be working off-site; therefore, no permits are required.

Prior to initiating investigation activities, Consultant and its selected drilling sub-consultant will contact DIGGER to mark underground utilities in public rights-of-way prior to conducting site assessment activities. Consultant will need to subcontract a qualified driller and an IEPA-certified analytical laboratory. A Health and Safety Plan will be prepared prior to conducting the field investigation. Consultant should anticipate that all field work will be carried out in Level "D" personal protective equipment.

Benchmark

Consultant shall establish one permanent benchmark with a description and elevation to the nearest 0.01 feet and reference its elevation to the official City of Chicago datum.

Borings Location Plan

Consultant shall develop a boring location plan based on the site characteristics and minimum requirements of the attached proposed boring location plan - **See Exhibit 3**. The location and depth of proposed borings shall be indicated on a sketch accompanying the geotechnical engineer's proposal. If the geotechnical engineer finds it necessary to change the location and depth of any of the proposed borings, the PBC Project Manager shall be notified and a new location or depth shall be agreed upon between the PBC Project Manager and the geotechnical engineer.

Soil Borings

Soil borings shall be drilled in accordance with the American Society for Testing and Material (ASTM) Standard D 1586, Penetration Test and Split-Barrel Sampling of Soils. Soil borings shall not be terminated in loose and/or soft soils, consult with PBC Project Manager prior to the termination of that soil boring to ensure that the available data collected will provide adequate design information. If cohesive soils are encountered, undisturbed soil samples shall be obtained with Shelby Tube sampler in accordance with ASTM Standard D 1587, Thin-Walled Tube Sampling of Soils. Record groundwater level measurements during and 24 hours following the completion of the boring, as applicable. The geotechnical engineer shall advise the PBC Project Manager as to any further exploration and testing required to obtain information that the engineer may require for a professional interpretation of subsoil conditions at the building site. Retain a surveyor to stake out the boring locations and accurately establish, by engineer's level or transit, the ground surface elevation of each boring.

Percolation Test

The consultant shall develop percolation test plan based on the site characteristics and minimum requirements of the attached proposed test location plan. The proposed test locations shall be indicated on a sketch accompanying the geotechnical engineer's proposal. The percolation tests should refer to guidelines for BMPs in City of Chicago Stormwater Management Ordinance Manual. Locate tests at proposed parking and landscaped areas. Indicate proposed percolation test procedures.

Drilling and Sampling Methods

The consultant shall perform drilling and sampling in accordance with ASTM Standards D 1586 and D 1587, as applicable. Standard Penetration Test N values shall be recorded, as a minimum at 2.5, 5.0, 7.5, and 10.0 feet depths and then at 5.0-foot intervals there onwards. Soil samples shall be classified in accordance with ASTM Standards D 2487 and D 2488. Samples shall be preserved and field logs prepared by either a geotechnical engineer or an experienced soils technician under the supervision of a geotechnical engineer. The depth of the borings is to be determined by the geotechnical engineer based on the anticipated loads given above and the expected soil profile in the area. Unconfined compressive strength values of cohesive soil samples, using a pocket penetrometer, shall be obtained in the field and recorded on the field logs as applicable.

Protection of Property

The consultant shall contact the PBC Project Manager and all utility companies for information regarding buried utilities and structures, shall take all reasonable precautions to prevent damage to property both visible and concealed, and shall restore the site to the conditions existing prior to site entry.

Field and Laboratory Reporting Requirements

Prepare reports in accordance with the following items:

1. Record all data in accordance with the latest ASTM standards.
2. Include with the report a chart illustrating the soil classification criteria and the terminology and symbols used on the boring logs.
3. Identify the ASTM standards utilized. For percolation tests, describe test procedures.
4. Provide a site plan giving dimensioned locations of test borings and percolation tests.
5. Provide vertical sections for each boring plotted and graphically presented showing number of borings, sampling method used, date of start and finish, surface elevations, description of soil and thickness of each layer, depth to loss or gain of drilling fluid, hydraulic pressure required or number of blows per foot, and depth and elevation of ground water. Note the location of strata containing organic materials, wet materials or other inconsistencies that might affect engineering conclusions.
6. Describe the existing surface conditions, and provide a figure showing generalized subsurface as well as summarize the subsurface conditions.
7. Report all laboratory determinations of soil properties.
8. Report results of percolation tests in MPI (minutes per inch).

We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter

In addition, the Disclosing Party must disclose the names of any and all slaves or slaveholders described in those records. Failure to comply with these disclosure requirements may make the Matter to which this EDS pertains voidable by the City.

6. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Bank of America Corporation has entered a leniency agreement with the United States Department of Justice in connection with the Department's investigation into bidding practices in the municipal derivatives industry. This amnesty grant was a result of the company voluntarily providing information to the Department before the Department began its investigation, as well as the company's continuing cooperation.

The amnesty agreement provides that, in return for the company's continuing cooperation with the Justice Department's investigation, the Justice Department will not bring any criminal antitrust prosecution against the company in connection with matters that the company reported to the Justice Department.

Under the Justice Department's leniency program, amnesty is available to a company that first reports certain activity to the Justice Department before the Justice Department commences an investigation. The company has fully cooperated and continues to fully cooperate with the industry-wide investigations being conducted by the Justice Department, the Securities and Exchange Commission, and the Internal Revenue Service.

SECTION V – CERTIFICATIONS

6. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Bank of America Corporation has entered a leniency agreement with the United States Department of Justice in connection with the Department's investigation into bidding practices in the municipal derivatives industry. This amnesty grant was a result of the company voluntarily providing information to the Department before the Department began its investigation, as well as the company's continuing cooperation.

The amnesty agreement provides that, in return for the company's continuing cooperation with the Justice Department's investigation, the Justice Department will not bring any criminal antitrust prosecution against the company in connection with matters that the company reported to the Justice Department.

Under the Justice Department's leniency program, amnesty is available to a company that first reports certain activity to the Justice Department before the Justice Department commences an investigation. The company has fully cooperated and continues to fully cooperate with the industry-wide investigations being conducted by the Justice Department, the Securities and Exchange Commission, and the Internal Revenue Service.

In addition, the Disclosing Party must disclose the names of any and all slaves or slaveholders described in those records. B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. a "financial institution" as defined in Section 2-32-455(b) of the Municipal Code.

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in Chapter 2-32 of the Municipal Code. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter

Response to Section V, Part B.6

Please be advised that the Disclosing Party, through its various subsidiaries, currently employs over 120,000 employees, including many thousands of officer-level employees in its various business units. The Disclosing Party assures and certifies that, to the best of its knowledge, all of the statements set forth in Section V, Part B, Sub-Parts 1 through 5, are correct, except as follows:¹

1. From time to time during the past five years, and in the ordinary course of its business, the Disclosing Party and/or various of its subsidiaries (unrelated to the business unit involved in the contemplated transaction) have been named as defendants in civil (but not criminal) proceedings wherein fraud or other matters described in Part B, Sub-Part 1, have been alleged. The Disclosing Party and/or its various subsidiaries have occasionally suffered judgments in those cases. None of such litigation, however, has materially adversely affected the Applicant, the Disclosing Party, its financial condition, or the Applicant's ability to perform the contract contemplated in this EDS, nor has any such litigation been considered material to the operations of any of the Disclosing Party's businesses or its financial condition.

2. The Disclosing Party and/or various of its subsidiaries (unrelated to the business unit involved in the contemplated transaction) have, from time to time, been the subject of certain investigations conducted by various federal and state regulatory agencies having jurisdiction over certain of the Disclosing Party's businesses. None of those investigations have materially adversely affected the Applicant, the Disclosing Party, its financial condition, or the Applicant's ability to perform the contract contemplated in this EDS, nor have any such investigations been considered material to the operations of any of the Disclosing Party's businesses or its financial condition.

3. Although we are not aware of any circumstances relating to individual officers or directors of the Disclosing Party that would prevent us from making the certifications set forth in Section V, Part B, as to each of them individually, no representation with respect to individual officers or directors is made herein. Please be advised that any of the referenced unlawful conduct would be in direct violation of the Disclosing Party's policies, and the Disclosing Party remains vigilant to prevent, detect and disclose any instances of misconduct by its employees.

4. The Disclosing Party is a leading provider of financial services to over 15 million household and business customers throughout the East Coast and the nation. As of March 31, 2008, the Disclosing Party held \$808.9 billion in assets,

¹ This information should be read in conjunction with documents filed in 2007 and 2008 by the Disclosing Party with the Securities and Exchange Commission, including the most recent annual report on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-Q. The Disclosing Party and its various bank and non-bank subsidiaries are subject to the regulations of the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation, the Securities and Exchange Commission, and other federal and state agencies.

making it the fourth largest U. S. bank holding company based on assets. As of March 31, 2008, the Disclosing Party held on its balance sheet over \$45 billion of commercial mortgage loans, and held foreclosed properties valued at approximately \$530 million. In the normal course of its commercial real estate lending activity, and in particular, in connection with the exercise of customary remedies with regard to distressed real estate collateral, the Disclosing Party has occasionally been required to participate in or cooperate with the remediation of environmental issues relating to its collateral. Due to the vast size of its commercial real estate lending activity, however, it is not possible for the Disclosing Party to identify all situations occurring over the past five years in which environmental issues impacted properties that comprised collateral for loans made by the Disclosing Party, nor to certify whether any affiliate of the Disclosing Party has ever itself "been found in violation" of the environmental laws or regulations referred to in this section. The Disclosing Party's policy is to adhere to all environmental laws and regulations in effect in every jurisdiction in which it operates, and it expects its customers to do the same.

2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING INTEREST IN CITY BUSINESS

Any words or terms that are defined in Chapter 2-156 of the Municipal Code have the same meanings when used in this Part D.

1. In accordance with Section 2-156-110 of the Municipal Code: Does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

☐ Yes

☒ No

NOTE: If you checked "Yes" to Item D.1., proceed to Items D.2. and D.3. If you checked "No" to Item D.1., proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

☐ Yes

☐ No

3. If you checked "Yes" to Item D.1., provide the names and business addresses of the City officials or employees having such interest and identify the nature of such interest:

Name

Business Address

Nature of Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies from the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves) and has disclosed in this EDS any and all such records to the City. In addition, the Disclosing Party must disclose the names of any and all slaves or slaveholders described in those records. Failure to comply with these disclosure requirements may make the Matter to which this EDS pertains voidable by the City.

Please check either 1. or 2. below. If the Disclosing Party checks 2., the Disclosing Party must disclose below or in an attachment to this EDS all requisite information as set forth in that paragraph 2.

 1. The Disclosing Party verifies that (a) the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing Party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of names of any slaves or slaveholders.

 X 2. The Disclosing Party verifies that, as a result of conducting the search in step 1(a) above, the Disclosing Party has found records relating to investments or profits from slavery, the slave industry, or slaveholder insurance policies and/or the names of any slaves or slaveholders. The Disclosing Party verifies that the following constitutes full disclosure of all such records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY-FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995 who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Begin list here, add sheets as necessary):

Response to Section V, Part E.2

External research has revealed that two predecessor institutions of the Disclosing Party, the Georgia Railroad & Banking Company and the Bank of Charleston, owned slaves.

Due to incomplete records, the Disclosing Party cannot determine exactly how many slaves either the Georgia Railroad & Banking Company or the Bank of Charleston owned. Through specific transactional records, researchers determined that the Georgia Railroad & Banking Company owned at least 162 slaves, and the Bank of Charleston used at least 529 slaves as collateral on mortgaged properties or loans, and acquired an undetermined number of these individuals when customers defaulted on their loans. The names of slaves, where known, are set out in the attachment.

The Georgia Railroad & Banking Company was founded in 1833 to complete a railroad line between the City of Augusta and the interior of the state of Georgia. The company relied on slave labor for the construction and maintenance of this railway. According to the existing and searchable bank records, 162 slaves were owned or authorized to be purchased by the Georgia Railroad & Banking Company between 1836 and 1842. In addition, the company awarded work to contractors who purchased at least 400 slaves to perform work on the railways.

The Bank of Charleston, founded in 1834, issued loans and mortgages where enslaved individuals were used as collateral. A review of the bank's account ledgers revealed a minimum of 24 transactions involving reference to 529 enslaved individuals being used as collateral. In most cases, the loan was paid on schedule, and the bank never took possession of slaves that were pledged as collateral on the loan. In several documented instances, however, customers defaulted on their loans and the Bank of Charleston took actual possession of slaves. The total number of slaves of which the Bank took actual possession cannot be accurately tallied, due to the lack of records from that period.

In addition, ten predecessor companies were determined to have profited more indirectly from slavery through the following means:

- Founders, directors, or account holders owning slaves and/or profiting directly from slavery;
- Investing in or transacting business with companies or individuals that owned slaves;
- Investing in slave states;
- Investing in U.S. government bonds during years when the United States permitted and profited from slave labor directly through taxation.

These institutions include:

- Bank of North America
- Bank of Baltimore
- The Philadelphia Bank (later Philadelphia National Bank)
- Farmers' & Mechanics' Bank of Philadelphia
- Pennsylvania Company for Insurances on Lives and the Granting of Annuities
- State Bank of Elizabeth
- State Bank of Newark
- Savings Bank of Baltimore
- Girard National Bank
- The Carswell Group (established in 1868, acquired by Palmer & Cay, Inc. in 1985)

The relevant records are attached to this amendment as Exhibit I.

Note: The attached Exhibit I is identical to the slavery era business disclosure submitted to the City of Chicago in the EDS of the Disclosing Party dated January 4, 2005, as amended on June 1, 2005, with the addition of the results of external research performed on a new insurance brokerage subsidiary, Palmer & Cay, Inc., which was acquired by Wachovia Corporation in May, 2005. The Palmer & Cay, Inc. findings begin on page 110 of the Exhibit.

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995 have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in Paragraph A.1. above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A.1. and A.2. above.

If the Matter is federally funded and any funds other than federally appropriated funds have been or will be paid to any person or entity for influencing or attempting to influence an officer or employee of any agency (as defined by applicable federal law), a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the Matter, the Disclosing Party must complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. The form may be obtained online from the federal Office of Management and Budget (OMB) web site at <http://www.whitehouse.gov/omb/grants/sfillin.pdf>, linked on the page http://www.whitehouse.gov/omb/grants/grants_forms.html.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities".

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A.1. through A.4. above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

☐ Yes

☒ No

If "Yes," answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

SECTION VII -- ACKNOWLEDGMENTS, CONTRACT INCORPORATION, COMPLIANCE, PENALTIES, DISCLOSURE

The Disclosing Party understands and agrees that:

A. By completing and filing this EDS, the Disclosing Party acknowledges and agrees, on behalf of itself and the persons or entities named in this EDS, that the City may investigate the creditworthiness of some or all of the persons or entities named in this EDS.

B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of these ordinances and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with the applicable ordinances.

D. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded, void or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with the City. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

E. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

F. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires.

The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

For purposes of the certifications in H.1. and H.2. below, the term "affiliate" means any person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members; shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with the federal government or a state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity.

H.1. The Disclosing Party is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, nor are the Disclosing Party or its affiliates delinquent in paying any fine, fee, tax or other charge owed to the City. This includes, but is not limited to, all water charges, sewer charges, license fees, parking tickets, property taxes or sales taxes.

H.2 If the Disclosing Party is the Applicant, the Disclosing Party and its affiliates will not use, nor permit their subcontractors to use, any facility on the U.S. EPA's List of Violating Facilities in connection with the Matter for the duration of time that such facility remains on the list.

H.3 If the Disclosing Party is the Applicant, the Disclosing Party will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in H.1. and H.2. above and will not, without the prior written consent of the City, use any such contractor/subcontractor that does not provide such certifications or that the Disclosing Party has reason to believe has not provided or cannot provide truthful certifications.

NOTE: If the Disclosing Party cannot certify as to any of the items in H.1., H.2. or H.3. above, an explanatory statement must be attached to this EDS.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you; real estate transactions; mortgage interest you paid; acquisition or abandonment of secured property; cancellation of debt; or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
