1. Performance Standard. The Consultant represents and agrees that the Services performed under this Contract will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field. Consultant shall promptly provide notice to the PBC if it identifies any problem or issue that may affect the performance of its Services or the Project. The Consultant further represents that it will assign at all times during the performance of the Services the number of experienced, appropriately trained employees necessary for the Consultant to perform the Services in the manner required by the Contract.

2. Failure to Meet Performance Standards. If the Consultant fails to comply with its obligations under the standards of this Contract, PBC shall provide Consultant with written notice, detailing the nature of the non-conformance and, if commercially reasonable and appropriate given the nature of the non-conformance, the Consultant must perform again, at its own expense, all Services required to be re-performed as a direct result of that failure. If Consultant's re-performance fails to correct non-conformance, Consultant shall credit the PBC with the Fees paid during the then-current term of the Agreement which shall be prorated so that the PBC only receives reimbursement for Fees covering the period during which there was a performance problem.

3. Compliance with Laws. In performing under this Contract, all applicable federal, state and local governmental laws, regulations, orders, and other rules of duly constituted authority will be followed and complied with in all respects by the Consultant. The PBC shall comply with all applicable laws concerning the protections and use of personally identifiable information.

4. Time is Of The Essence. Time is of the essence for this Contract.

5. Invoices. Once each month, the Consultant will submit an invoice to the PBC for Services performed during the preceding month. Each invoice must include the Contract and be supported with such reasonable details and data as the PBC may require.

6. Compensation of Consultant. PBC will process payments within thirty (30) days of receiving an acceptable invoice from the Consultant. The PBC's payment for the Services shall not constitute acceptance of the Services or a waiver by the PBC of any term or condition of this Contract.

7. No Waivers. Any failure by the PBC to enforce any provision of this Contract shall not constitute a waiver of the provision or prejudice the right of the PBC to enforce the provision at any subsequent time.

8. Indemnity. The Consultant shall defend, indemnify and hold the PBC and its commissioners, officers, agents, officials, and employees harmless against any and all claims, demands, suits, losses, costs and expenses (including but not limited to attorneys fees) for personal injury and property damage, arising out of or in connection with the Services provided by Consultant, or any person employed by Consultant, to the maximum extent permitted by law. The Consultant's obligation to defend, indemnify and hold the PBC harmless shall survive the expiration, termination or cancellation of this Contract and shall include the payment of any and all attorney's fees and costs incurred by the PBC in defending any such claim. In order for the indemnification obligations of this Section 8

**COLLINS / NORTH LAWDALE HIGH SCHOOL
STRUCTURAL ASSESSMENT OF POOL DECK STRUCTURE - PS1864**

(Indemnity) to apply, the indemnified parties must promptly provide Consultant with notice in writing of any claim, promptly tender the control of the defense and settlement of any such claim to the Consultant (at the Consultant's expense and with the Consultant's choice of counsel), and cooperate with the Consultant in defending or settling such claim, including but not limited to providing any information or materials necessary for the indemnifying party to perform its obligations.

9. Taxes. PBC is exempt from the payment of (1) Retailers' Occupation Tax, (2) the Service Occupation Tax (state and local), (3) Use taxes; and (4) federal excise taxes. The PBC will deduct any such taxes the Consultant includes in this Contract. The PBC's Illinois Department of Revenue tax exemption number is E9978-1506-05.

10. Insurance. The Consultant shall procure and maintain at all times, at Consultant's expense, workers compensation, comprehensive general liability, professional liability and automobile liability insurance, in amounts specified by the PBC, as set forth in Exhibit B, and which name the PBC as an additional insured on a primary, non-contributory basis.

11. Independent Contractor. In performing the Services under this Contract, Consultant shall at all times be an independent contractor, and does not and must not act or represent itself as an agent or employee of the PBC.

12. Changes to the Services. The PBC may from time to time request changes to the Services or the terms of this Contract. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the PBC and Consultant, shall be incorporated in a written amendment to this Contract. The PBC shall not be liable for any changes absent such written amendment.

13. Ownership of Documents. All forms, records, files, documents, data, and reports prepared by Consultant in performing the Services and all updates and additions thereto ("PBC Data") are PBC's exclusive property prepared by the Consultant or any party engaged by the Consultant, in performing the Services and all updates and additions thereto shall be the property of the PBC including copyrights.

During the term of the Contract, Consultant shall store the PBC Data on its own equipment. During the term, PBC shall have the ability to download any or all PBC Data onto its own systems. At the termination of the Contract, Consultant will submit to PBC a written quote for the transfer of any retained PBC data. The quote shall be based upon the requested format and size/quantity of PBC data to be transferred.

14. Confidentiality. All of the PBC Data prepared or assembled by the Consultant under this Contract are confidential, and the Consultant agrees that such reports,

information or data shall not be made available to any party without the prior written approval of the PBC. In addition, the Consultant shall not, without the prior written consent of the PBC, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Contract, the Project or the Services.

However, if Consultant receives process, including a subpoena, in respect of litigation, a dispute or investigation involving the PBC, that requests or seeks the production of PBC Data or the disclosure of other information concerning the PBC, including information received in the course of performing Services, Consultant, if legally permitted, shall notify and deliver a copy of the process to the PBC at the address for notices agreed upon between the parties, as may be amended from time to time. In such event, the PBC shall assume the response to such process and shall pay the expenses incurred by Consultant in responding to said process, including costs, expenses and attorneys fees. If the PBC fails to assume the response to process, Consultant shall respond to the extent that it determines, in its reasonable discretion that it is required to do so. For the avoidance of doubt, in order for the provisions of this paragraph to apply, Consultant shall not be a party to the litigation or dispute at issue nor a subject of any investigation at issue. Consultant's right to request that PBC assume the response to process and related expenses is conditioned upon Consultant's being subpoenaed or otherwise receiving process as a third party who may be in possession of information concerning PBC which is relevant to the applicable litigations, dispute or investigation.

15. Termination. The term of this Contract is one (1) year with a one (1) year renewal option at the PBC's discretion. The term of this Contract shall begin upon the final execution of this Contract and shall expire one (1) year after the effective date of this Contract or the renewal option period if exercised by the PBC. The PBC reserves the right to terminate this Contract at anytime by providing written notice to the Consultant.

21. Headings. Headings used in this Contract are for convenience and reference only and shall not affect the interpretation of this Contract.

22. Partial Invalidity. If any provision of this Contract is or becomes void or unenforceable for any reason, the other provisions will remain valid and enforceable.

24. Binding Effect. This Contract shall be binding upon the parties hereto and their respective permitted successors and assignees.

25. Entire Agreement. This Contract constitutes the entire understanding and agreement between the parties hereto and supersedes any and all prior or contemporaneous oral or written representations or communications with respect to the subject matter hereof, all of which communications are merged herein.

26. Data Aggregation and Analysis. Notwithstanding anything to the contrary in this Contract, Consultant shall be, and hereby is, authorized to collect, compile and use for de-identified information collected in the performance of Services ("Benchmarking Statistics"), for the purpose of analyzing and reporting the effectiveness of and any trends in corporate ethics and compliance programs according to industry, company size, country, geographic region or other relevant classification or for other uses as Consultant may decide. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

²However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
