f. **Executive Director** means the person employed by the Commission as its Executive Director or the duly authorized representative thereof.

g. **Key Personnel** means those job titles and persons as identified in such positions in Schedule E of this Agreement.

h. **Services** means collectively, the duties, responsibilities and tasks that are necessary in order for the Consultant to provide the Scope of Services required by the Commission under Schedule B of this Agreement and the assigned Task Order.

i. **Sub-consultant** or **Subcontractor** means a partnership, firm, corporation or entity other than the Consultant that furnishes labor, materials and/or equipment to the Consultant related to the performance of the Services and/or improvement of the Project.

j. **Task Order** means a document issued by the Commission to the Consultant pursuant to this Agreement that authorizes in writing Services and/or Deliverables to be provided by the Consultant, together with any applicable exhibits or schedules, a timetable for any Deliverables and the applicable fees.

2. **Incorporation of Documents.** The Resolution passed by the Board of Commissioners of the Commission on October 1, 2009, concerning utilization of minority business enterprises ("MBE") and women business enterprises ("WBE"), as the same may be amended from time to time, is hereby

incorporated in and made a part of this Agreement. By executing this Agreement, Consultant acknowledges and agrees that Consultant is familiar with the contents of such Resolution and will comply fully with all applicable portions thereof in performing the Services.

**3. Engagement and Standards for Performing Services.**

a. **Engagement.** The Commission hereby engages the Consultant, and the Consultant hereby accepts such engagement, to provide the Services described in this Agreement, as the same may be amended, in writing, from time to time by mutual agreement of the Commission and the Consultant.

b. **Performance Standard.** The Consultant represents and agrees that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by practicing consulting professionals performing services of a scope, purpose, and magnitude comparable with the Services to be provided under this Agreement and the assigned Task Order. If in the course of performing the Services, Consultant identifies any condition, situation, issue or problem that may impact the performance of the Services or the Project, Consultant shall promptly provide notice to the Commission.

c. **Consultant's Personnel.** The Consultant agrees that it will assign at all times during the term of the Agreement the number of experienced, appropriately trained employees necessary for the Consultant to perform the Services under this Agreement and the assigned Task Order in the manner required by this Agreement. Consultant must not reassign or replace Key Personnel without the written consent of the Commission. Consultant must ensure that all Services and Deliverables that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must maintain current copies of any such licenses and provide such copies, upon request, to the Commission. Consultant remains responsible for the professional and technical accuracy of all Services and Deliverables furnished, whether by the Consultant or others on its behalf. Consultant must at all times use its best efforts on behalf of the Commission to assure timely and satisfactory rendering and completion of the Services. Consultant must perform all Services in accordance with the terms and conditions of this Agreement, to the reasonable satisfaction of the Commission. All Deliverables must be prepared in a format satisfactory to the Commission and delivered in a timely manner consistent with the requirements of this Agreement and the assigned Task Order.

d. **Independent Contractor.** In performing the Services under this Agreement, Consultant shall at all times be an independent contractor, and does not and must not act or represent itself as an agent or employee of the Commission or the User Agency. As an independent contractor, Consultant is solely and wholly responsible for determining the means and methods for performing the Services. The Agreement will not be construed as an agreement of partnership, joint venture, or agency.

e. **Limitations on Sub-Consultants and Subcontractors.** Consultant must not use any business or individual who is disqualified by the Commission or debarred under any other governmental agency's procedures to provide the Services under the Agreement.

f. **Failure to Meet Performance Standard.** If the Consultant fails to comply with its obligations under the standards of the Agreement, the Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the Commission does not relieve Consultant of its responsibility to render the Services and Deliverables with the professional skill and care and technical

accuracy required by the Agreement. This provision in no way limits the Commission's rights against the Consultant, either under the Agreement, at law or in equity.

g. **Changes to the Services.** The Commission may from time to time, request changes to the terms of the Agreement, Task Order or the Services of the Consultant to be performed hereunder. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services or timetable for Deliverables, which are mutually agreed upon by and between the Commission and Consultant, shall be incorporated in a written amendment to this Agreement or the Task Order. The Commission shall not be liable for any changes absent such written amendment.

#### 4. **Task Orders.**

a. **Task Order Service Requests.** During the term of the Agreement, the Commission may issue one or more requests or solicitations for specific Services to be performed under the Agreement (a "Task Order Service Request" or "TOSR"). Each such Task Order Request will identify the Project, describe the specific Services to be performed, the desired completion date, and any other information or documents to be provided by the Consultant in responding to the Task Order Service Request.

b. **Task Order Proposals.** Consultant must submit to the Commission a written response to the Task Order Service Request by providing the information and documents requested (the "Task Order Proposal"). The Task Order Proposal will propose a schedule, budget, Deliverables, a list of technical personnel who will perform the Services and any other information or documents listed in the Task Order Service Request. The Task Order Proposal must be submitted within the time specified in the Task Order Service Request. Any costs associated with the preparation of such Task Order Proposal are not compensable under the Agreement and the Commission is not liable for any such costs.

c. **Review Process.** The Commission will review the Task Order Proposal and may elect to approve it, reject it, or use it as a basis for further negotiations with Consultant regarding the Task Order and specific Services to be performed and/or Deliverables to be provided. If the Commission and Consultant negotiate changes to the Task Order regarding the specific Services and/or Deliverables to be provided, Consultant must submit a revised Task Order Proposal (based upon such negotiations) to the Commission.

d. **Notice of Approval of Task Orders.** All Task Orders are subject to the written approval of the Commission and no Task Order will become binding upon the Commission until it is approved in writing by the Executive Director. Absent approval of a Task Order and issuance of a Notice to Proceed as provided in the following sub-paragraph, the Commission will not be obligated to pay or have any liability to Consultant for any Services or Deliverables provided by Consultant pursuant to such Task Order.

e. **Notice to Proceed.** After approval of the Consultant's engagement to perform Services under a Task Order (as evidenced by the execution of the Notice of Award by the Executive Director), the Commission shall issue a Notice to Proceed authorizing the Services that are within the scope of such Task Order and attaching or incorporating the applicable Task Order. Upon receipt of an executed Notice to Proceed issued by the Project Manager, Consultant will promptly commence and perform, in accordance with the Task Order, the Services set forth in the Task Order. Consultant shall not commence the applicable Services unless and until the Commission issues the Notice to Proceed.

f. **No Obligation.** Consultant acknowledges and agrees that the Commission is under no obligation to issue any Task Orders, and that it is within the Commission's discretion whether to include Consultant in any solicitation for Task Order Proposals.

5. **Duties and Obligations of Consultant.**

a. **Nondiscrimination.** The Consultant agrees that in performing this Agreement it shall not discriminate against any worker, employee or applicant for employment, or any member of the public, because of race, creed, gender, color, national origin or disability, or otherwise commit an unfair labor practice. Attention is called to applicable provisions of the Civil Rights Act of 1964, 88-352, July 2, 1964, 78 Stat. 241 *et. Seq.* the Americans with Disabilities Act of 1990, 42 U.S.C. 12010 *et. Such delays or hindrances, if any, shall be compensated for by an extension of time to complete the Services, for such reasonable period as may be mutually agreed upon between the parties, it being understood, however, that the agreement of the Commission to allow the Consultant to complete the Services or any part of them after the time provided for the completion thereof herein shall in no way operate as a waiver on the part of the Commission of any of its rights hereunder.

g. **Time of Essence.** The Consultant acknowledges and agrees that time is of the essence in the performance of this Agreement and that timely completion of the Services is vital to the completion of the Project by the Commission. Consultant agrees to use its best efforts to expedite performance of the Services and the assigned Task Order and performance of all other obligations of the Consultant under this Agreement and any other agreement entered into by the Commission which are managed or administered by the Consultant as a result of the Consultant's engagement hereunder.

h. **Compliance with Laws.** In performing its engagement under this Agreement, the Consultant shall comply with all applicable federal, state and local laws, rules and regulations including but not limited to, those referenced in subparagraphs (a) and (b) above.

i. **Progress Meetings.** Meetings to discuss the progress of the Project and/or to review the performance of the Consultant may be scheduled upon the Commission's request, at mutually agreeable times and locations, and the Consultant agrees to cause such meetings to be attended by appropriate personnel of the Consultant engaged in performing or knowledgeable of the Services.

## 6. **Term.**

a. The term of this Agreement is three (3) years with three (3) successive one (1)-year renewal options at the sole discretion of the Commission. Termination or suspension of this Agreement shall not relieve the Consultant from liability for the performance of any obligation of the Consultant under this Agreement performed or to have been performed by the Consultant on or before the effective date of termination or suspension. Provided the Consultant is not in default under this Agreement at the time of termination or suspension, the Commission agrees to pay to the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of termination or suspension. In no event shall the Commission be liable to the Consultant for any loss, cost or damage

which the Consultant or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided herein; provided, however, that the Commission may, in its sole discretion, reimburse the Consultant for actual expenses approved by the Commission.

c. If the Project, in whole or substantial part, is stopped for a period longer than thirty (30) days under an order of any court or other governmental authority having jurisdiction of the Project, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of the Consultant, or if the Commission fails to make any payment or perform any other obligation hereunder, the Consultant shall have the right to terminate this Agreement, by written notice given to the Commission at least seven (7) days prior to the effective date of termination, and shall have the right to recover from the Commission all compensation and reimbursements due to the Consultant for periods up to the effective date of termination.

7. **Compensation of Consultant; Submission of Invoices through CW.** The total amount of fees [and costs] to be paid by the Commission during the term of this Agreement, excluding any renewal option periods, shall not exceed the sum of \$200,000.00. The Commission shall compensate the Consultant for the Services in the manner set forth in Schedule C of this Agreement, or as modified by assigned Task Order. The Consultant shall submit all invoices, no more frequently than once every thirty (30) days, in electronic format using the CW System. All submitted invoices shall include a cover page as provided by the Commission and the assigned Task Order number. Failure to submit invoices through CW will result in delayed or non-payment to the Consultant.

8. **Rights and Obligations of Commission.** In connection with the administration of the Project by the Commission and the performance of this Agreement by the Consultant, the Commission shall have the following rights and obligations, in addition to those provided elsewhere in this Agreement:

10. **Insurance to be Maintained by Consultant.** The Consultant shall purchase and maintain at all times during the performance of Services hereunder, for the benefit of the Commission, the User Agency and the Consultant, insurance coverage as set forth in Schedule D.

11. **Default.**

a. **Events of Default.** Any one or more of the following occurrences shall constitute an Event of Default under this Agreement:

i. Failure or refusal on the part of the Consultant duly to observe or perform any obligation or Agreement on the part of the Consultant contained in this Agreement, which failure or refusal continues for a period of ten (10) days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such ten (10) day period) after the date on which written notice thereof shall have been give to the Consultant by the Commission;

ii. Failure of Consultant to perform the Services to the standard of performance set forth in this Agreement;

iii. Any representation or warranty of the Consultant set forth herein or otherwise delivered pursuant to this Agreement shall have been false in any material respect when so made or furnished;

No course of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right shall operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

c. **Remedies not Exclusive.** No right or remedy herein conferred upon or reserved to the Commission is exclusive of any right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

12. **Confidentiality.** All of the reports, information, or data prepared or assembled by the Consultant under this Agreement are confidential, and the Consultant agrees that such reports, information or data shall not be made available to any party without the prior written approval of the Commission. In addition, the Consultant shall not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project, the Services or any assigned Task Order. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the Commission and User Agency. Consultant must at all times act in the best interests of the Commission and User Agency consistent with the professional obligations assumed by Consultant in entering into this Agreement. Consultant promises to cooperate with the officials, employees and agents of the Commission and User Agency in furthering the Commission's and User Agency's interests.

13. **Assignment.** The Consultant acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Consultant and agrees, therefore, that neither this Agreement nor any right or obligation hereunder may be assigned by the Consultant, in whole or in part, without the prior written approval of the Commission. b. **Entire Agreement.** This Agreement constitutes the entire understanding and Agreement between the parties hereto and supersedes any and all prior or contemporaneous oral or written representations or communications with respect to the subject matter hereof, all of which communications are merged herein. This Agreement shall not be modified, amended or in any way altered except by an instrument in writing signed by both of the parties hereto.

c. **Force Majeure.** Neither of the parties shall be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. ## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

**Sole proprietor.** Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

**Limited liability company (LLC).** Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

**Other entities.** Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

**Note.** You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

### Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

**Note.** If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt payees 1 through 7

<sup>1</sup>See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup>However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [www.irs.gov](http://www.irs.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

### Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft) or 1-877-IDTHEFT(438-4338).

Visit the IRS website at [www.irs.gov](http://www.irs.gov) to learn more about identity theft and how to reduce your risk.

### Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

- (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- b. We will not pay for loss of or damage to fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken, unless caused by the "specified causes of loss" or building glass breakage. This restriction does not apply to:
- (1) Glass that is part of the exterior or interior of a building or structure;
  - (2) Containers of property held for sale; or
  - (3) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:
- (1) \$2,500 for furs, fur garments and garments trimmed with fur.
  - (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
  - (3) \$2,500 for patterns, dies, molds and forms.
- 5. Additional Coverages**
- a. Debris Removal**
- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
  - (2) Debris Removal does not apply to costs to:
    - (a) Extract "pollutants" from land or water; or
    - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
- (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
  - (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
  - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.
- Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.
- (5) **Examples**
- Example #1**
- |                      |           |
|----------------------|-----------|
| Limit of Insurance   | \$ 90,000 |
| Amount of Deductible | \$ 500    |

POLICY TERM  
to

AGENT NO.

Amount of Loss \$ 50,000  
 Amount of Loss Payable \$ 49,500  
 (\$50,000 - \$500)  
 Debris Removal Expense \$ 10,000  
 Debris Removal Expense Payable \$ 10,000  
 (\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

**Example #2**

Limit of Insurance \$ 90,000  
 Amount of Deductible \$ 500  
 Amount of Loss \$ 80,000  
 Amount of Loss Payable \$ 79,500  
 (\$80,000 - \$500)  
 Debris Removal Expense \$ 30,000  
 Debris Removal Expense Payable  
 Basic Amount \$ 10,500  
 Additional Amount \$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500). The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

**b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

**c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

**d. Collapse****(1) With respect to buildings:**

- (a) Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose;
- (b) A building or any part of a building that is in danger of falling down or caving in is not considered to be in a state of collapse;
- (c) A part of a building that is standing is not considered to be in a state of collapse even if it has separated from another part of the building; and
- (d) A building that is standing or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

**(2) We will pay for direct physical loss or damage to Covered Property, caused by collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if the collapse is caused by one or more of the following:**

- (a) The "specified causes of loss" or breakage of building glass, all only as insured against in this policy;
- (b) Decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- (c) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- (d) Weight of people or personal property;
- (e) Weight of rain that collects on a roof; or

- (f) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation. However, if the collapse occurs after construction, remodeling or renovation is complete and is caused in part by a cause of loss listed in Paragraphs (a) through (e), we will pay for the loss or damage even if use of defective material or methods in construction, remodeling or renovation, contributes to the collapse.

The criteria set forth in Paragraphs (1)(a) through (1)(d) do not limit the coverage otherwise provided under this Additional Coverage for the causes of loss listed in Paragraphs (2)(a), (2)(d) and (2)(e).

**(3) With respect to the following property:**

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if the collapse is caused by a cause of loss listed in Paragraphs (2)(b) through (2)(f), we will pay for loss or damage to that property only if such loss or damage is a direct result of the collapse of a building insured under this policy and the property is Covered Property under this policy.

(4) If personal property abruptly falls down or caves in and such collapse is not the result of collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- (a) The collapse was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(f) of this Additional Coverage;
- (b) The personal property which collapses is inside a building; and
- (c) The property which collapses is not of a kind listed in Paragraph (3) above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (4) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

Collapse of personal property does not mean cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (5) This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this policy.

**e. Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

**f. Business Income**

**(1) Business Income**

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i) The portion of the building which you rent, lease or occupy; and
- (ii) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.

- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.

## (c) Business Income means the:

- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
- (ii) Continuing normal operating expenses incurred, including payroll.

## (d) Ordinary payroll expenses:

- (i) Mean payroll expenses for all your employees except:

- ii. Employee benefits, if directly related to payroll;
- iii. FICA payments you pay;
- iv. Union dues you pay; and
- v. Workers' compensation premiums.

## (2) Extended Business Income

(a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and

(ii) Ends on the earlier of:

i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or

ii. 30 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

(b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

(a) The partial slowdown or complete cessation of your business activities; or

- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) This Additional Coverage is not subject to the Limits of Insurance of Section I -- Property.
- g. Extra Expense**
- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.
- With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:
- (a) The portion of the building which you rent, lease or occupy; and
- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (2) Extra Expense means expense incurred:
- (a) To avoid or minimize the suspension of business and to continue "operations":
- (i) At the described premises; or
- (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
- (b) To minimize the suspension of business if you cannot continue "operations".
- (c) To:
- (i) Repair or replace any property; or
- (ii) Research, replace or restore the lost information on damaged "valuable papers and records"
- to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.
- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or
- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I -- Property.
- h. Pollutant Clean Up And Removal**
- We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.
- This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

**i. Civil Authority**

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for necessary Extra Expense will begin immediately after the time of that action and ends:

- (1) 3 consecutive weeks after the time of that action; or
- (2) When your Business Income coverage ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.

  - (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants", "fungi", wet or dry rot or bacteria.
- (6) The most we will pay under this Additional Coverage, for each described building insured under Section I -- Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.
- The amount payable under this Additional Coverage is additional insurance.
- (7) With respect to this Additional Coverage:
- (a) We will not pay for the Increased Cost of Construction:
    - (i) Until the property is actually repaired or replaced, at the same or another premises; and
    - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

However, this Additional Coverage does not apply when the only loss to dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

- (2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:
- (a) Source of materials; or
  - (b) Outlet for your products.
- (3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.
- (4) Dependent property means property owned by others whom you depend on to:
- (a) Deliver materials or services to you, or to others for your account. But services does not mean water, communication or power supply services;

  - (b) Ends on the date when the property at the premises of the dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.
- (6) The Business Income coverage period, as stated in Paragraph (5), does not include any increased period required due to the enforcement of any ordinance or law that:
- (a) Regulates the construction, use or repair, or requires the tearing down of any property; or
  - (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

(1) We will pay:

(a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and

(b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.

(2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.

(3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

**p. Electronic Data**

(1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

(2) The Covered Causes of Loss applicable to Business Personal Property include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased em-

ployee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

(3) The most we will pay under this Additional Coverage -- Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

**q. Interruption Of Computer Operations**

(1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

(2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

(a) Coverage under this Additional Coverage -- Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.

- (c) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage -- Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage -- Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- r. Limited Coverage For "Fungi", Wet Rot, Dry Rot And Bacteria**
- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet or dry rot or bacteria are the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) We will pay for loss or damage by "fungi", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
- (a) Direct physical loss or damage to Covered Property caused by "fungi", wet or dry rot or bacteria, including the cost of removal of the "fungi", wet or dry rot or bacteria;
- (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet or dry rot or bacteria; and
- (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet or dry rot or bacteria are present.

With respect to a particular occurrence of loss which results in "fungi", wet or dry rot or bacteria, we will not pay more than the total of \$15,000 even if the "fungi", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.

The days need not be consecutive.
- (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet or dry rot or bacteria, but remediation of "fungi", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. - (b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:
- (i) The actual cash value of the lost or damaged property; or
  - (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.
- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
- (d) We will not pay on a replacement cost basis for any loss or damage:
- (i) Until the lost or damaged property is actually repaired or replaced; and
  - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.
- However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs d.(1)(a) and d.(1)(b) above whether or not the actual repair or replacement is complete.
- (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- (2) If the "Actual Cash Value -- Buildings" option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.
- (3) The following property at actual cash value:
- (a) Used or second-hand merchandise held in storage or for sale;
  - (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;
  - (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
  - (d) Manuscripts; and

- (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
- (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
  - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.
- If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
  - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to Accounts Receivable:
- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
    - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
    - (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
- (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
- (i) The amount of the accounts for which there is no loss or damage;
  - (ii) The amount of the accounts that you are able to re-establish or collect;
  - (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
  - (iv) All unearned interest and service charges.
- e. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and
- (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.
- 6. Recovered Property**
- If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I -- Property.
