I. INTRODUCTION

Thank you for your interest in bidding on this project, which is being undertaken by the Public Building Commission of Chicago. The Public Building Commission of Chicago (hereafter, the PBC, or Commission) is a municipal corporation with a statutory mandate to procure and award contracts for the construction of public buildings in the City of Chicago, and to oversee the construction of those public buildings until they are turned over to the user agency that will own and operate each new facility.

RENOVATION

2. Along with reviewing the calculations of each bid, the Commission will evaluate each Bidder's responsiveness to all Bid requirements and responsibility.
3. The Commission may require that the apparent low bidder and any other bidder submit a breakdown of their bids by CSI Division or other appropriate basis. The Commission may also require the apparent low bidder or any other bidder to attend a pre-award meeting to review their bids in detail.

R. Basis of Award

Award will be made to the responsible Bidder submitting the lowest Award Criteria and otherwise responsive to all the requirements of the Contract Documents.

S. Performance and Payment Bond and Insurance

1. Each Bidder shall furnish proof of its ability to provide the bonds and insurance required by the Contract with its bid. 2. The Contractor must provide and maintain at Contractor's own expense, the minimum insurance coverage and requirements specified in the attached Exhibit 2, insuring all operations related to the Contract. The insurance must remain in effect from the date of the Notice to Proceed until Substantial Completion of the project, during completion of Punch List, as well as any time the Contractor or its Subcontractors return to perform additional work regarding warranties or for any other purpose, unless otherwise noted in the requirements.

Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
5. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within five (5) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of

Contract No. C1554R (REBID)

WILLIAM JONES COLLEGE PREP HS -- PHASE II
RENOVATION

V. PROPOSAL SUPPORT DOCUMENTS

A. Basis of Award (Award Criteria)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria formula for the purpose of evaluating proposals and awarding the contract. A contract in the amount of the total Base Bid or Base Contract Price will be awarded to the responsible bidder with the lowest Award Criteria Figure. The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the *Equal Employment Act* and the *Illinois Human Rights Act*.

1. Instructions

The Bidder shall complete the Award Criteria Formula and transfer the final Award Criteria Figure - Line 15 to the space provided on the itemized proposal sheet. Failure to complete the formula may be cause for rejection of the Bidder's proposal. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than fifty percent (50%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than ten (10%) percent in each category for the purpose of award criteria only. The fifty percent (50%) and ten percent (10%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula.

2. Award Criteria Formula

Line 1.	Total Base Bid, in figures	<u>3699800</u>
Line 2.	Percentage of the Journeyworkers hours that the Contractor proposes to be worked by minority Journeyworkers during construction of the project. (Maximum figure 0.50)	<u>0.5</u>
Line 3.	Multiply Line 2 by Line 1 by 0.04	<u>73996</u>
Line 4.	Percentage of total Apprentice hours that the Contractor proposes to be worked by minority Apprentices during construction of the project. (Maximum figure 0.50)	<u>0.5</u>
Line 5.	Multiply Line 4 by Line 1 by 0.03	<u>55497</u>
Line 6.	Percentage of the total Laborer hours that the Contractor proposes to be worked by minority Laborers during construction of the project. (Maximum figure 0.50)	<u>0.5</u>
Line 7.	Multiply Line 6 by Line 1 by 0.01	<u>18499</u>
Line 8.	Percentage of total Journeyworker hours that the Contractor proposes to be worked by female Journeyworkers during the construction of the project. (Maximum figure 0.10)	<u>0.1</u>
Line 9.	Multiply Line 8 by Line 1 by 0.04	<u>14799</u>
Line 10.	Percentage of total Apprentice hours that the Contractor proposes to be worked by female Apprentices during construction of the project. (Maximum figure 0.10)	<u>0.1</u>
Line 11.	Multiply Line 10 by Line 1 by 0.03	<u>11099</u>

PUBLIC BUILDING COMMISSION OF CHICAGO

Line 12.	Percentage of the total Laborer hours that the Contractor proposes to be worked by female Laborers during construction of the project. (Maximum figure 0.10)	<u>0.1</u>
Line 13.	Multiply Line 12 by Line 1 by 0.01	<u>3780</u>
Line 14.	Summation of Lines 3, 5, 7, 9, 11, and 13	<u>177590</u>
Line 15.	Subtract Line 14 from Line 1 (= "Award Criteria Figure")	<u>3522210</u>
Award Criteria Figure (Insert Line 15 of Award Criteria Formula): \$		<u>3,522,210</u>

3. Community Hiring Bonuses

In order to encourage maximum employment of interested and available residents of the project community on this project, the following bonus calculations shall apply:

- a. In calculating the hours worked by minority and women journeyworkers, apprentices, and laborers under the Award Criteria set out in Part V.A. "Basis of Award (Award Criteria)," all hours worked by minority and women journeyworkers, existing apprentices, and laborers who are residents of the project community shall be multiplied by 1.5.
- b. In calculating the hours worked by minority and women apprentices under the Award Criteria set out in Part V "Proposal Support Documents," all hours worked in new apprenticeships by minority and women apprentices who are residents of the project community shall be multiplied by 2.0.

Definitions

"City of Chicago Residents" means persons domiciled within the City of Chicago. Salaried superintendents are excluded from coverage in this section. Domicile is an individual's one and only true, fixed, and permanent home and principal establishment.

"Project Community Residents" means persons domiciled within the "Project Community" as defined in Section II, A.6 above.

"New Apprenticeship" shall mean an apprenticeship begun for a person who has not held an apprenticeship card within ninety (90) days prior to beginning the project.

4. Liquidated Damages

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Proposal on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

PUBLIC BUILDING COMMISSION OF CHICAGO
Contract No.C1554R (REBID)
WILLIAM JONES COLLEGE PREP HS – PHASE II
RENOVATION

- a. For each full one (1%) percent deficiency of minority Journeyworkers not utilized – four cents per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 04}}{100}$$

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

- b. For each full one (1%) percent deficiency of minority apprentices not utilized – three cents per hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 03}}{100}$$

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

- c. For each one (1%) percent deficiency of minority laborers not utilized – one cent per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 01}}{100}$$

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

- d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. All Subcontractors shall be listed on the Contractor's Recapitulation Form whether active or not. For the purpose of this report, the following group categories will be used:

Dear Mr. Kelly:

As explained in our Schedule C the following is breakdown of our cost. Total price for this work is Two Million, Two Hundred Twenty-six Thousand Dollars and Zero Cents (\$2,226,000.00).

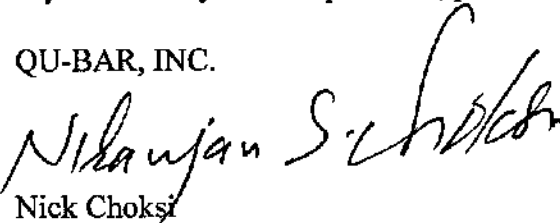

QU-BAR, Inc.	\$ 935,400.00 (MBE)
QU-BAR Mechanical, LLC	\$ 824,600.00 (Piping)
Johnson Controls	\$ 350,000.00 (Controls)
RHL Insulation	\$ 150,000.00 (WBE)
Total	\$2,260,000.00

Please note that all HVAC work is performed by union workers. Since different unions perform different scopes of work it has to be handled by different companies based upon union affiliation. QU-BAR, Inc. is a signatory to Local 73 and will be performing the work which is under jurisdiction of Local 73. Piping work is under jurisdiction of Local 597 (Pipefitters Union) and will have to handle by the company who is affiliated with that union. We have chosen QU-BAR Mechanical, LLC to perform this work. Johnson Controls was flat specified and we have to use them. Insulation work is performed by Union Local 17 and we have decided to give that work to RHL Insulation a WBE firm.

I hope this explanation satisfies your requirements.

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS ENDORSEMENT

It is hereby agreed that Section VI. DEFINITIONS, Paragraph K. Insured is amended to include the following scheduled entity(s) as additional Insured(s) but solely as respects liability arising out of the Covered Operations performed by or on behalf of the Named Insured.

SCHEDULE

Name of Person or Organization:

Owners, lessees or contractors of a job site where Covered Operations are being performed by or on behalf of the Named Insured and the Named Insured is required under a written contract to add such entities as additional Insured(s) to this Policy.

All other terms, conditions, and exclusions shall remain the same.

AUTHORIZED REPRESENTATIVE
or countersignature (in states where applicable)

F. CONCEALMENT OR FRAUD

If the Insured reports any Claim or Emergency Response Costs knowing such Claim or Emergency Response Costs to be false or fraudulent, this Policy shall become void and all insurance coverage hereunder shall be forfeited. Further, this entire Policy shall be void if, whether before or after Emergency Response Costs are incurred or a Claim is first made, the Named Insured has willfully concealed or misrepresented: (i) any fact or circumstance material to the granting of coverage under this Policy, or (ii) any Insured's operations.

G. SERVICE OF SUIT

It is agreed that in the event of failure of the Company to pay any amount claimed to be due hereunder, the Company, at the request of the Insured, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Counsel, Legal Department, Lexington Insurance Company, 100 Summer Street, Boston, Massachusetts 02110, or his or her representative, and that in any suit instituted against the Company upon this contract, the Company will abide by the final decision of such court or of any appellate court in the event of any appeal.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, the Company hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his or her successor or successors in office as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Insured or any beneficiary hereunder arising out of this contract of insurance, and hereby designates the above named Counsel as the person to whom the said officer is authorized to mail such process or a true copy thereof.

H. INSPECTION

The Company shall be permitted but not obligated to inspect, sample, and monitor on a continuing basis the Insured's property or operations, at any time. Neither the Company's right to make inspections, sample, and monitor, nor the actual undertaking thereof nor any report thereon, shall constitute an undertaking, on behalf of the Insured or others, to determine or warrant that property or operations are safe, healthful or conform to acceptable engineering practice or are in compliance with any law, rule, or regulation.

I. SOLE AGENT

The Named Insured first listed in Item 1. of the Declarations shall act on behalf of all other Insureds, if any, for the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this Policy, and giving and receiving notice of cancellation or non-renewal.

J. ASSIGNMENT

This Policy may be assigned with the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Assignment of interest under this Policy shall not bind the Company until its consent is endorsed onto this Policy.

K. SUBROGATION

If there is a payment made by the Company under this Policy, the Company shall be subrogated to all the Insured's rights of recovery against any person or organization. The Insured shall cooperate with the Company and do whatever is necessary to secure these rights. The Insured shall do nothing after a Loss to waive or prejudice such rights.

Any recovery as a result of subrogation proceedings arising out of payment of Loss under this Policy (net of expenses incurred in making such recovery) shall accrue first to the Insured to the extent of any payment in excess of the limit of coverage of the Policy, then pro-rata to the Insured and the Company in proportion to the amount each actually paid as a result of judgment, settlement or defense of a Claim or Emergency Response Costs.

The Company agrees to waive this right of subrogation against a client of the Insured to the extent that the Insured had, prior to a Claim or Emergency Response Costs, a written agreement to waive such rights.

L. CHANGES

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or estop the Company from asserting any right under the terms of this Policy; nor shall the terms of this Policy be waived or changed, except by endorsement issued to form a part of this Policy.

M. CANCELLATION

This Policy may be cancelled by the Named Insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This Policy may be cancelled by the Company by mailing to the Named Insured at the address shown in the Policy, written notice stating when not less than sixty (60) days (ten (10) days for nonpayment of premium) thereafter such cancellation shall be effective. Proof of mailing of such notice shall be sufficient proof of notice.

The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the Policy Period. Delivery of such written notice either by the Named Insured or by the Company shall be equivalent to mailing. The Minimum Earned Premium shall be 25% as of the policy Inception Date. If the Named Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure after applying the minimum earned premium stated above. If the Company cancels, earned premium shall be computed pro rata after applying the minimum earned premium stated above. Premium adjustment may be either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

N. SEPARATION OF INSURED

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned to the first Named Insured, this insurance applies: 1. As if each Named Insured were the only Named Insured; and 2. Separately to each Insured against whom a Claim is made or suit is brought. Misrepresentation, concealment, breach of a term or condition, or violation of any duty under this Policy by one Insured shall not prejudice the interest of coverage for another Insured under this Policy. Provided, however, that this Condition shall not apply to any Insured who is a parent, subsidiary or affiliate of the Named Insured that misrepresented, concealed or breached a term or condition, or violated a duty under this Policy.

O. INDEPENDENT COUNSEL

In the event the Insured is entitled by law to select independent counsel to oversee the Company's defense of a Claim at the Company's expense, the attorney fees and all other expenses the Company must pay to that counsel are limited to the rates the Company actually pays to counsel the Company retains in the ordinary course of business in the defense of similar Claims or suits in the community where the Claim arose or is being defended.

Additionally, the Company may exercise the right to require that such counsel have certain minimum qualifications with respect to their competency including experience in defending Claims or suits similar to the one pending against the Insured and to require such counsel to have errors and omissions insurance coverage.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

Name of Person or Organization:

Any person or organization you have agreed to waive any right of recovery by
Written Contract or Agreement, Prior To An "occurrence" Or Offense

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

The TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US Condition (Section IV - COMMERCIAL GENERAL LIABILITY CONDITIONS) is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard". This waiver applies only to the person or organization shown in the Schedule above.

PRIMARY AND NON-CONTRIBUTING INSURANCE

This endorsement modifies insurance provided under the following:

**COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART**

A. SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS, 4. Other Insurance, and all subparts thereof, as contained in the policy is deleted in its entirety and replaced with the following condition:

4. Other Insurance

If all of the other insurance permits contribution by equal shares, we will follow this method unless the insured is required by written contract signed by both parties, to provide insurance that is primary and noncontributory, and the "insured contract" is executed prior to any loss. Where required by a written contract signed by both parties, this insurance will be primary & non-contributing only when and to the extent as required by that contract.

However, under the contributory approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

This endorsement forms a part of the Policy to which attached, effective on the inception date of the Policy unless otherwise stated herein.
