1. Project Summary Tab should be the only tab visible to PMs and Approvers.
2. Percent Complete and Status report fields currently exist on Planning, Design and Construction tabs. The final Report PDF pulls the two fields from whichever phase is selected in the Active Project Phases section of the administration. This complexity isn't needed, just one field for percent complete and one field for status report is sufficient.

PART 5. INSURING AGREEMENTS AND EXCLUSIONS

A. What We Insure

We will pay on **Your** behalf those sums in excess of the Retention and up to the applicable Limit of Liability stated in Item 4. of the Declarations Page that **You** become legally obligated to pay as **Damages** or **Defense Costs** because of **Claims** as a result of a **Wrongful Act** in performing **Technology Services**. Depending on where a **Claim** is first brought, **We** will have the right and duty to appoint an attorney, investigate and defend any **Claim** to which this insurance applies, even if the allegations are groundless, false or fraudulent, or **We** will reimburse **You** for the reasonable cost of investigation and defense of any such **Claim**, as provided in Part 5.B. below.

B. Defense and Settlement

1. For **Claims** first brought inside the United States of America (including its territories or possessions), Puerto Rico or Canada, **We** will have the right and duty to appoint an attorney, investigate and defend any **Claim** to which this insurance applies. Our right and duty to defend and pay on **Your** behalf ends when **We** have used up the applicable Limit of Liability in payment of **Damages** or **Defense Costs**.
2. For **Claims** first brought outside the United States of America (including its territories or possessions), Puerto Rico or Canada, **We** will have the right but not the duty to appoint an attorney, investigate and defend any **Claim** to which this insurance applies. If **We** elect not to appoint an attorney, investigate or defend a **Claim** to which this insurance applies, the **First Named Insured** will arrange for the investigation and defense of such **Claim** as is reasonably necessary. **We** will reimburse **You** for the reasonable cost of investigation and defense exceeding the Retention, all subject to and within the applicable Limit of Liability stated in the Declarations Page. Reimbursement shall be made in United States dollars at the rate of exchange prevailing on the date **You** made the expenditure.
3. **You** will not settle any **Claim** without **Our** prior written consent. If the **First Named Insured** notifies **Us** in writing in advance that the **First Named Insured** disagrees about the final disposition of any **Claim**, the following conditions will apply:
 - a. If the **First Named Insured** is willing to accept a settlement offered by a claimant and **We** are not, or if the **First Named Insured** is unwilling to appeal a judgment of a trial court, **We** have the right to continue defense of the **Claim** and not settle or appeal such judgment provided **We** bear all costs and expenses, including incidental interest of such continued litigation. An increase in the judgment amount or **Defense Costs** in such instance will not be applied against **Your** Limit of Liability; or
 - b. If **We** are satisfied with the judgment of the trial court, or with any settlement offered, but the **First Named Insured** is not, **We** may pay to the **First Named Insured** the difference between the amount of the settlement or judgment and the remaining **Retention**, if any, and **We** will then be relieved from further obligation for **Damages**, **Defense Costs** or defense concerning the **Claim**.

- b. Any enterprise directly or indirectly controlled, operated or managed by an enterprise described in Part 5.C.2.a. above;
- c. Any of **You**;
- d. Any present, former or prospective employees, officers or directors of any of **You** when the **Claim** is in any way related to the present, former or prospective employment relations between the claimant and any of **You**; or

This Exclusion 3.b. does not apply to **Defense Costs** We incur prior to the final adjudication by the jury, court or arbitrator. However, upon that adjudication We will have the right to seek recovery of the **Defense Costs** incurred from the party(ies) found to have committed the acts or omissions described above.

D. Where and When We Insure

1. Where We Insure

The territory of this insurance is universal. This exclusion is effective whether or not the pollution was sudden, accidental, gradual, intended, expected or preventable or whether or not any of **You** caused or contributed to the pollution;

The Consultant is responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools, and supplies) owned, rented, or used by Consultant.

D.1.6. Valuable Papers

When any plans, designs, drawings, specifications, data, media, and documents are produced or used under this Agreement, Valuable Papers insurance shall be maintained in an amount to insure against any loss whatsoever, and shall have limits sufficient to pay for the re-creation and reconstruction of such records.

D.2. ADDITIONAL REQUIREMENTS

The Consultant must furnish the Public Building Commission Procurement Department, Richard J. Daley Center, Room 200, Chicago, IL 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if any insurance coverage has an expiration or renewal date occurring during the term of this Agreement. The Consultant must submit evidence of

insurance to the Commission before award of Agreement. The receipt of any certificate does not constitute agreement by the Commission that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the Commission to obtain certificates or other insurance evidence from Consultant is not a waiver by the Commission of any requirements for the Consultant to obtain and maintain the specified coverage. The Consultant will advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Consultant of the obligation to provide insurance as specified in this Agreement. Non-fulfillment of the insurance conditions may constitute a breach of the Agreement, and the Commission retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The Commission reserves the right to obtain copies of insurance policies and records from the Consultant and/or its subcontractors at any time upon written request.

The insurance must provide for 30 days prior written notice to be given to the Commission if any policies are canceled, substantially changed, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance must be borne by Consultant.

The Consultant hereby waives and agrees to require their insurers to waive their rights of subrogation against the Public Building Commission of Chicago and the City of Chicago, their respective Board members, employees, elected and appointed officials, and representatives.

The insurance coverage and limits furnished by Consultant in no way limit the Consultant's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the Public Building Commission of Chicago and the City of Chicago do not contribute with insurance provided by the Consultant under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in the Agreement given as a matter of law.

If Consultant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Consultant must require all its subcontractors to provide the insurance required in this Agreement, or Consultant may provide the coverage for its subcontractors. All subcontractors are subject to the same insurance requirements of Consultant unless otherwise specified in this Agreement.

If Consultant or its subcontractors desire additional coverage, the party desiring the additional coverage is responsible for the acquisition and cost.

The Commission's Risk Management Department maintains the rights to modify, delete, alter or change these requirements.
