Commissioner Brazier next presented to the Board of Commissioners a report of the Audit Committee meeting held on December 3, 2009 which is summarized as follows:

- ◆ **Fraud Risk Assessment Recommendation** – The results of the PBC’s first Fraud Risk Assessment Policy was presented. The presentation included a review of the Policy and details of the Assessment Report (in draft form). Various actions to be taken to mitigate fraud were included in the report. The report also included six recommendations to strengthen the overall fraud control system. The report was approved by the Audit Committee.
- ◆ **Quarterly Review of Internal Controls Project** – As required by their Quarterly Review of Internal Controls, contract representatives from Prado & Renteria presented the Engagement Letter for the quarter January 1, through March 31, 2010. The Engagement Letter included: the scope of service; procedures, and a project timeline. The Engagement Letter was approved by the Audit Committee.
- ◆ **2009 Audit Planning** – Deloitte & Touche, LLP reviewed their 2009 Audit Plan, including introducing the client service team, the Deloitte audit approach, key areas to be reviewed in the 2009 audit, the testing and evaluation that will be performed, the communications with the Audit Committee that will be required, a high level schedule of audit activities and a list of developments in auditing and accounting standards for consideration in 2009. All parties are pleased that the audit planning is taking place prior to the end of the fiscal year and look forward to a smooth audit process.
- ◆ **2009 Third Quarter Financials** – PBC’s Comptroller described the process undertaken to prepare the financials through the third quarter of 2009. Going forward, financial closings will be performed on a quarterly basis, which will facilitate the year-end closing. PBC’s Director of Finance provided a few highlights of the 2009 Third Quarter Financials, including Administrative Fee Revenue greatly exceeding 2008 revenue and Construction costs projected to exceed 2008 levels by up to 34%.

The report of the Audit Committee was accepted.
