

NOTICE OF A PUBLIC MEETING AND REVOLVING LOAN FUND ADMINISTRATIVE RECORD REPOSITORY

Whitney Young Branch Library Environmental Remediation & Construction

The Public Building Commission has been awarded grants from the USEPA Brownfields Grant Program and an award from the IEPA Brownfields Revolving Loan Fund to help fund environmental remediation activities associated with the clean-up of the parcels adjacent to the existing library at 415-423 E. 79th Street to enable future construction of a new state-of-the-art library. An information repository is available for review at the Whitney Young Branch Library, 7901 S. Dr. Martin Luther King, Jr. Drive beginning Monday August 1, 2011 and until Wednesday August 31, 2011. A public meeting to discuss and solicit comments to the repository documents will be held on Tuesday August 16, 2011 from 5:00 p.m. to 6:30 p.m. at the Whitney Young Branch Library, 7901 S. Dr. Martin Luther King, Jr. Drive.

For more information about this project,
please call Mimi Simon, Public Information Officer at the
