RFI-1.

Question: Can you please tell me if the 11400 food section will be rebid?

Response: Yes, this section is included in this solicitation.

RFI-2.

Question: In the Specs Volume 3, Book 2, Page 1193 section 31 23 18.11 – 1, it requires the GC to get a letter from the selected CCDD facility acknowledging the terms of the LPC-663 form. This is to be submitted with our bid. To do this would require obtaining a sample which would incur a cost to the GC of approximately \$1,800.00 and would also require the GC to have access to the site to obtain the sample.

My question is :

A: Will the GC be reimbursed for this cost.

B: How will we obtain access to the site to collect the sample.

Response: Environmental soil sampling by the Contractor is not required. Contractor shall provide written authorization from the CCDD facility in accordance with the Contract Documents within 14 calendar days of Contract Award.

RFI-3.

Question: Please provide more detail on the sidewalk inlays shown on detail 3 on L0103. Specifically the size, shape, and artwork.

Response: Size as noted on sheet L0103- max 6", shape and artwork is TBD. Refer to photos of "RbC riverboat concrete" and "RGS (with tree above)" samples shown here: <https://www.expressions-ltd.com/products/stainless-steel-concrete-custom-logos?variant=34748385676> for anticipated level of detail.
