RFI-1.

Question: We are seeking to submit our general LOI and Qualifications for Architect of Record Services for the PBC - this will be our first time submitting our firm's packet of qualifications. We wanted to ask, do we need to have completed this submission before we submit for example this specific opportunity with the PBC: "RFP for Design-Build Services for Joint Public Safety Training Campus Phase 01A (and Phase 02)".

Response: Firms are encouraged to submit to PBC's Letters of Interest and Qualifications for Architects and Engineers (A/E firms) which is open on a rolling basis; however, A/E firms are not required to have an LIQ on file with the PBC in order to submit to the above-referenced RFPs.

RFI-2.

Question: Can we submit proposals for both Phase 01A and Phase 02 projects?

Response: Yes, firms may submit proposals for both projects.

RFI-3.

Question: Where can I find the forms and exhibits and is there a fillable form?

Response: Forms are attached within the RFP. Exhibits are available in the form of FTP links embedded in the Table of Contents (Page 3 of the RFP). Exhibits and a fillable version of the RFP can be found on the Current Opportunities page for this project at: <https://www.pbcchicago.com/opportunities/rfp-for-joint-public-safety-training-campus-phase-02/>
