I. INTRODUCTION

Thank you for your interest in bidding on this project, which is being undertaken by the Public Building Commission of Chicago. The Public Building Commission of Chicago (hereafter, the PBC, or Commission) is a municipal corporation with a statutory mandate to procure and award contracts for the construction of public buildings in the City of Chicago, and to oversee the construction of those public buildings until they are turned over to the user agency that will own and operate each new facility.

This is the first page of text of Book 1, which along with Book 2, Book 3, and the project drawings, comprise the PBC's construction contract. The balance of this Book 1 provides a brief description of the project, instructions for completing and submitting your bid, the bid pages, and the forms which must accompany your bid. Book 2 is the Standard Terms and Conditions of the contract. Book 3 is the Technical Specifications for the work to be performed on this project. The architect or engineer for the project will provide the drawings and other documents that may be necessary for you to bid on and/or perform the work. Each of the Books, along with the drawings and any other documents prepared by the architect or engineer, are Contract Documents. Collectively, the Contract Documents comprise the Contract. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

$$\frac{\text{Line 1} \times 01}{100}$$

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

- d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. When required by written contract with any additional insured owner, lessee, or contractor to provide insurance on a primary and noncontributory basis, **Condition 4 of Section IV - Commercial General Liability Conditions** is deleted and replaced by the following:

4. Other Insurance

If other valid and collectible insurance is available for a loss we cover under Coverage A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary and non-contributory except when **b.** below applies.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent, or on any other basis:

- (1) That is Fire, Extended Coverage, Builders Risk, Installation Risk, or similar coverage for your work;
- (2) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner; or
- (3) If the loss arises out of the maintenance or use of aircraft, "autos," or watercraft to the extent not subject to Exclusion **g.** of **Section I - Coverage A.**
- (4) If the loss is caused by the sole negligence of any additional insured, owner, lessee, or contractor.

When this insurance is excess, we will have no duty under Coverage **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit." If no other defends, we will undertake to do so, but we will be entitled to the other insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductibles and self-insured amounts under all that other insurance.

We will share the remaining loss, if any with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the limits of Insurance shown in the declarations of this Coverage Part.

M. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

Under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, item **6. Representations**, the following is added:

Under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, item **8. Transfer Of Rights Of Recovery Against Others To Us** is deleted and replaced by the following:

We waive any right of recovery we may have against any person or organization with respect to which the insured has waived its right of recovery.

It is further agreed that work commenced under letter of intent or work order, subject to subsequent reduction to writing, with customers whose customary written contracts would require a waiver of recovery rights against them also falls within this blanket waiver of recovery rights.

O. LIBERALIZATION

If we adopt a change in our forms or rules which would broaden coverage for contractors under this coverage form without an additional premium charge, your policy will automatically provide the additional coverage's as of the date the broadened coverage is effective in your state.

9. "Insured Contract" means:

The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.
