RFI-2.

Question: I wanted to clarify the submission of the financials. Are we to drop them off in person to the Public Building Commission of Chicago Richard J. Daley Center, Room 200 50 W. Washington Street Chicago, Illinois 60602?

Response: [To clarify, Firms are to submit Financial Statements as a separate electronic file within the email submission. Reminder: Firms may submit files via Dropbox or other secure program/link if the file size exceeds 25MB.](#)

RFI-3.

Question: We're directed to submit in the searchable mode. Accordingly we're unsure how we would enter notary stamp or corporate seal information and also must now figure out how to set up for electronic signatures. Is there any possibility we could submit through the scanned PDF method? If not, please advise how we're supposed to do our stamps and seals.

Response: [As noted in the RFP, 'Submissions must be a single, searchable PDF document with the exception of documents that are only available as a copy. \(ie copies of licenses, certificates, and/or permits\)'. This may include signature pages.](#)
