The Performance and Payment Bond shall be in the form provided herein, in the full amount of the Contract Price and shall be security for the faithful performance of the Contract and payment of all persons, firms, or corporations to whom the Contractor may become legally indebted for labor, material, facilities or services of any nature, employed or used by it in performing the Work. The current power of attorney for the persons who sign for any surety company shall be attached to such bond. Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
5. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within seven (7) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

## PUBLIC BUILDING COMMISSION OF CHICAGO

### V. BID SUPPORT DOCUMENTS

#### A. Basis of Award (Award Criteria Figure)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria Figure formula for the purpose of evaluating bids and awarding the contract. A contract in the amount of the Total Base Bid (or Base Contract Price) will be awarded to the responsible bidder with the lowest Award Criteria Figure pursuant to Section III. P Basis of Award above. The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the Equal Employment Act and the Illinois Human Rights Act.

##### 1. Instructions

The Bidder shall complete an Award Criteria Figure Formula for both Total Base Bid and Total Base Bid with Alternate Scenario(s) and transfer the final Award Criteria Figure - Line 15 (of chart below) to the space provided on the itemized BID FORM. Failure to complete the formula may be cause for rejection of the Bidder's BID. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than seventy percent (70%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than fifteen percent (15%) in each category for the purpose of award criteria only. The seventy percent (70%) and fifteen percent (15%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula.

### **3. Community Hiring Bonuses**

In order to encourage maximum employment of interested and available residents of the project community on this project, the following bonus calculations shall apply:

- a. In calculating the hours worked by minority and women Journeyworkers, apprentices, and laborers under the Award Criteria Figure set out in Part V.A. "Basis of Award (Award Criteria Figure)," all hours worked by minority and women Journeyworkers, existing apprentices, and laborers who are residents of the project community shall be multiplied by 1.5.
- b. In calculating the hours worked by minority and women apprentices under the Award Criteria Figure set out in Part V "Bid Support Documents," all hours worked in new apprenticeships by minority and women apprentices who are residents of the project community shall be multiplied by 2.0.

#### **Definitions**

"City of Chicago Residents" means persons domiciled within the City of Chicago. Salaried superintendents are excluded from coverage in this section. Domicile is an individual's one and only true, fixed, and permanent home and principal establishment.

"Project Community Residents" means persons domiciled within the "Project Community" as defined in Section II, A.6 above.

"New Apprenticeship" shall mean an apprenticeship begun for a person who has not held an apprenticeship card within ninety (90) days prior to beginning the project.

### **4. Liquidated Damages**

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Bid on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Figure formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

- a. For each full one (1%) percent deficiency of minority Journeyworkers not utilized – four cents per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1} \times 04}{100}$$

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

## PUBLIC BUILDING COMMISSION OF CHICAGO

b. For each full one (1%) percent deficiency of minority apprentices not utilized – three cents per hundred dollars of the base bid calculated as follows:

Line 1 x 03  
100

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

c. For each one (1%) percent deficiency of minority laborers not utilized – one cent per each hundred dollars of the base bid calculated as follows:

Line 1 x 01  
100

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.

e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

### 5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. All Subcontractors shall be listed on the Contractor's Recapitulation Form whether active or not. For the purpose of this report, the following group categories will be used:

Pratap Gohil  
Sumit Construction Co., Inc.

Chicago, IL 60639

Dear Mr. Gohil:

We are pleased to inform you that **Sumit Construction Co., Inc.** is recertified as a **Minority-Owned Business Enterprise ("MBE")** by the City of Chicago ("City"). This **MBE** certification is valid until **11/15/2025**; however, your firm's certification must be revalidated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. Therefore, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five year period stated above, you must file an **annual No-Change Affidavit**. Your firm's annual No-Change Affidavit is due by **11/15/2021, 11/15/2022, 11/15/2023 and 11/15/2024**. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firm's five year certification will expire on **11/15/2025**. You have an affirmative duty to file for recertification **60 days** prior to the date of the five year anniversary date. Therefore, you must file for recertification by **9/15/2025**.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as an **MBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;
- Notify the City of any changes affecting your firm's certification within 10 days of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the City's Inspector General at [chicagoinspectorgeneral.org](http://chicagoinspectorgeneral.org), or 866-IG-TIPLINE (866-448-4754).

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than \$5,000 and not more than \$10,000 or both.

Proof of mailing of notice shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall be the end of the **policy period**.

### 3. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any rights under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued by the Company to form a part of this policy.

### 4. Choice of Law

The **insured** and the Company agree that all matters or disputes arising hereunder, including any questions relating to the validity, interpretation, performance, and enforcement of this policy, the meaning, interpretation or operation of any term, condition, definition or provision, or the fulfillment of any party of any obligation with respect to the policy, shall be determined in accordance with the law and practices of the State of New York without giving effect to New York conflict of law principles.

### 5. Choice of Forum

The **insured** and the Company agree that in the event a dispute arises under the policy relating to the validity, interpretation, performance, and enforcement of the policy, the meaning, interpretation or operation of any term, condition, definition or provision, or the fulfillment of any party of any obligation with respect to the policy, all litigation shall take place in the State of New York, and that all parties shall submit to the jurisdiction of any court of competent jurisdiction within the State of New York, including federal courts, and will comply with all the requirements necessary to give such court jurisdiction. In the event of arbitration or other forms of dispute resolution, such resolution shall take place in the State of New York. Nothing in this clause constitutes or should be understood to constitute a waiver of the Company's rights to remove an action to a United States District Court.

### 6. Headings

The descriptions in the headings of this policy are solely for convenience and form no part of the policy terms and conditions.

### 7. Inspection and Survey

With reasonable notice to the **insured**, we shall be permitted, but not obligated, to inspect the **insured's** property and/or operations. Neither our right to make inspections or any report thereon, shall constitute an undertaking, on behalf of or for the benefit of you or others, to determine or warrant that such property or operations are safe or in compliance with environmental law, or any other law.

### 8. Legal Action Against Us

No person or organization has a right under this policy:

- To join us as a party or otherwise bring us into a **suit** asking for damages from an **insured**; or
- To sue us on this policy unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an **insured**; but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the **insured** and the claimant or the claimant's legal representative. For purposes of this condition, a consent judgment, stipulated judgment, agreed judgment, consent decree or consent order reached without our written agreement is neither an agreed settlement nor a final judgment.

### 9. Limitation of Damages

Our damages for extra-contractual liability, bad faith, or similar damages under this policy are limited to one (1) times the relevant policy limit applicable to the underlying matter.

### 10. Other Insurance

If other valid and collectible insurance is available to the **insured** covering **claim(s)**, **damages**, **bodily injury**, **property damage**, **emergency remediation costs**, **cleanup costs**, **rectification expense**, **defense costs** or Supplementary Payments also covered by this policy, other than a policy that is specifically written to apply in excess of this policy, the insurance afforded by this policy shall apply in excess of and shall not contribute with such other insurance as to defense and/or indemnity. The **insured** shall promptly, upon the request of the Company, provide the Company with copies of all such policies or documentation.

With respect to Coverage **B.1**, **B.3** and Coverage **B.4** only, this insurance is primary to and will not seek contribution from any other insurance available to an additional **insured** as defined in **Definition 17.i.** of this policy provided that:

- The additional **insured** is a Named Insured under such other insurance; and

- b. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional **insured**.

#### 11. Premium Payment

The first **Named Insured** shown in the Declarations is responsible for the payment of all deductibles, self-insured retentions, coinsurance and premiums due and will be the payee for any returned premiums we pay.

#### 12. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

#### 13. Separation of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first **Named Insured**, this insurance applies:

- a. As if each **insured** were the only **insured**; and
- b. Separately to each **insured** against whom a **claim** is made or **suit** is brought.

#### 14. Sole Agent

The **Named Insured** shown in the Declarations shall act on behalf of, and serve as the sole agent for all **insureds** with respect to the return or payment of any premiums or retained amounts, the issuance by the Company of the policy, the receipt or acceptance of any endorsements issued to form a part of the policy or the receiving of any notices from the Company required by this policy.

#### 15. Transfer of Policy

This policy shall be void if assigned or transferred without our written consent.

#### 16. Subrogation

In the event of any payment under this policy by the Company, the Company shall be subrogated to all of the rights of recovery against any person or organization, and the **insured** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **insured** shall do nothing to prejudice such rights.

Any recovery as a result of subrogation proceedings arising out of the payment of **loss** or **damages** covered under this policy shall accrue first to the **insured** to the extent of any payments in excess of the limit of coverage; then to the Company to the extent of its payment under the policy; and then to the **insured** to the extent of its deductible or self-insured retention. Expenses incurred in such subrogation proceedings shall be apportioned among the interested parties in the recovery in the proportion that each interested party's share in the recovery bears to the total recovery.

With respect to Coverages **B.1**, **B.3** and **B.4** only, we waive any right of recovery we may have against the additional **insureds** as defined pursuant to **Definition 17.i.** of this policy because of payments we make for **loss** from **bodily injury** or **property damage** caused by **covered operations** or **completed operations** of the **covered operations**, performed for those additional **insureds**, but only to the extent required by written contract, executed prior to the **loss**, between you and the additional **insured**.
